# Chamber promotes new beauty for Antioch

## Planners discuss sign ordinance

--See story on page 2

## Antioch: No neon jungle

--Editorial on page 3

As a fitting conclusion of his years of ministry to the Millburn Congregational Church of Christ, Rev. Lauren Messersmith, with his wife, Marguerite, and the members of the Church Board, watches over the burning of the mortgage for the church hall, which has been named Lauren Hall to honor Rev. Messersmith. (Staff Photo) Story and more pictures on page 4.

Antioch's Chamber of Commerce is backing a modernization and beautification program that could give the village's shopping areas a fresh new personality -- and, perhaps, save them from deterioration and decline.

The program includes the addition of trees to Main Street, Lake Street and Orchard Street, the removal of overhanging commercial signs, and the modernization of building fronts. The development of the shopping area could ultimately include the redesign of the backs of stores on Main Street, according to Bill Patterson of the Chamber.

Patterson feels the beautification is overdue and desperately needed. He complains of outdated and peeling signs and clutter on Main Street, saying that they create "a deterioration feeling."

"The downtown areas have

been permitted to fade away in so many communities. People don't realize how much they needed their downtown area until it's gone," Patterson says.

The Chamber hopes that modernization will bring an orderly, inviting look to Antioch's shopping areas. It is seeking what Patterson calls "the feeling of something in common" that characterizes planned suburban shopping malls like Old Orchard, in Skokie.

The first step are trees, planned for planting this fall on the three business streets downtown. The plan involves 65 to 100 trees installed at a cost of about \$125 each, Patterson says. Merchants would be asked to pick up the cost, but volunteers might be sought to help plant the trees, he adds.

The trees will be planted where they look good, not in a

Continued on Page 2

## Country Club suit dismissed

Judge Fred H. Geiger dismissed developer Thomas Santino's suit against the Lake County Board of Supervisors September 4. That action blocks construction of a Planned Unit Development (PUD) on Santino's Antioch Country Club property.

Contacted Thursday, Santino said he has not yet decided on his next course of action. He has 30 days to appeal the court's decision, and he remains free to develop the property as it is currently zoned--with single family residences.

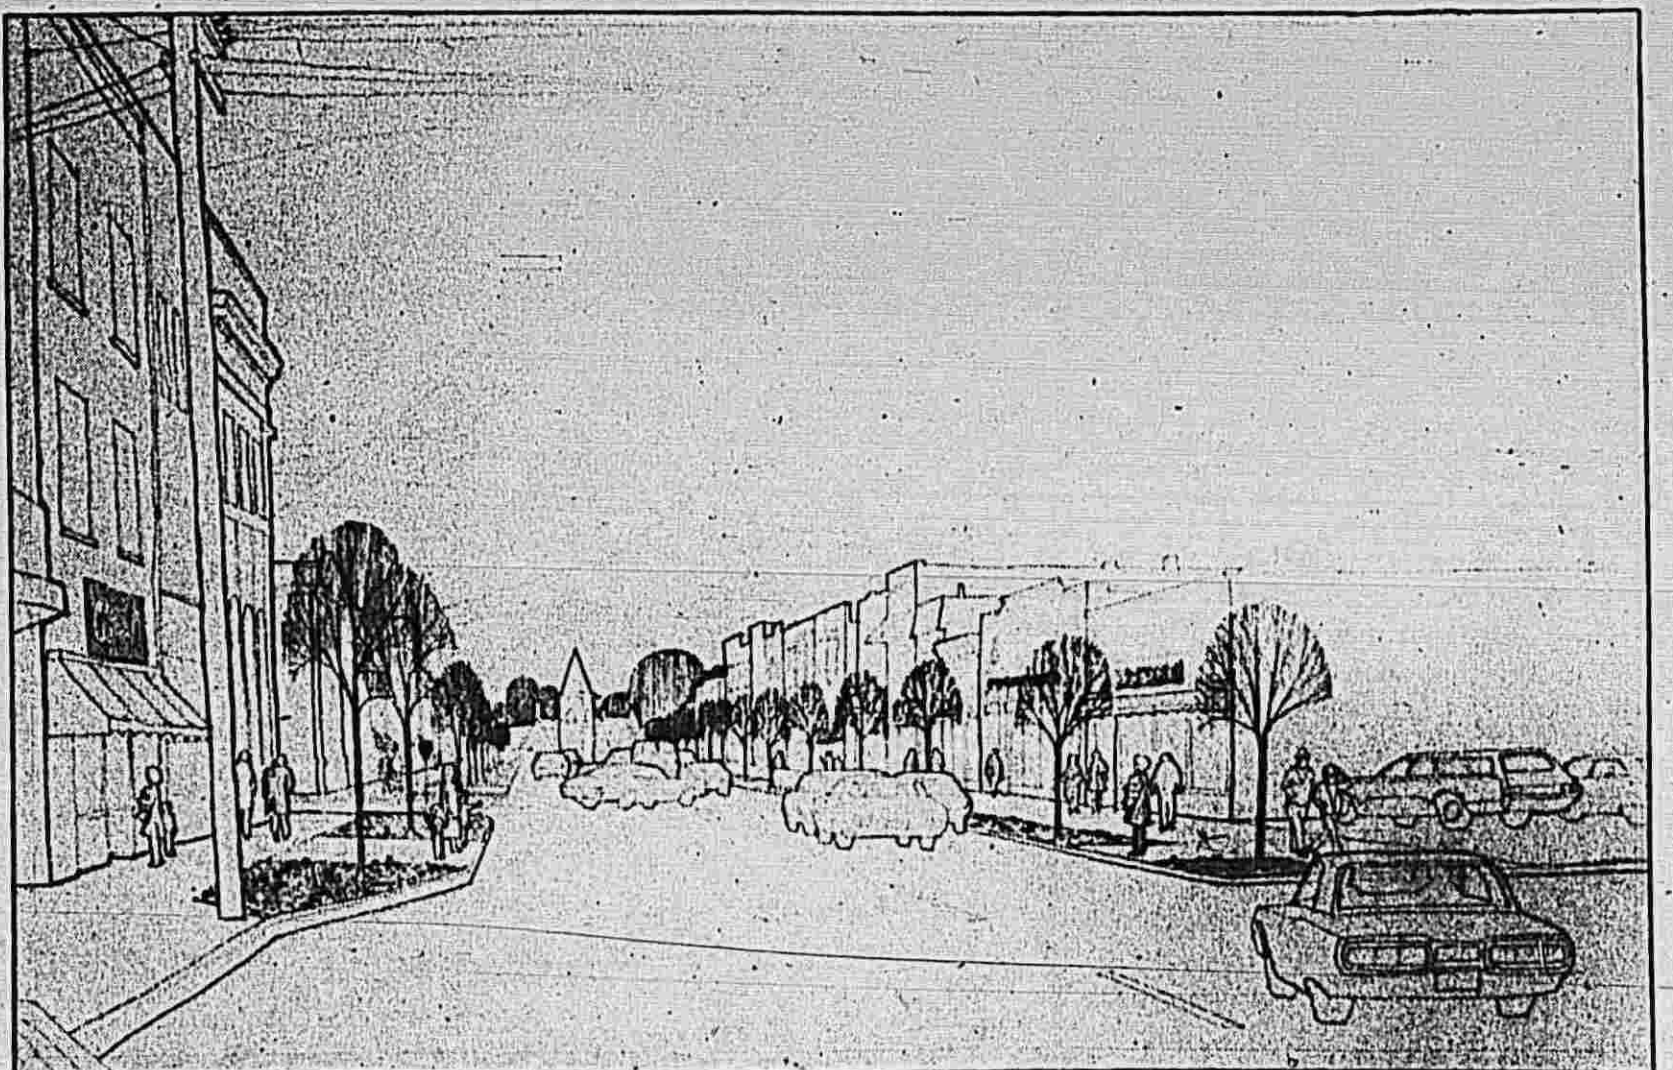

The Lake County Regional

Planning Commission cautiously approved of Santino's proposed PUD April 7, 1972. A PUD includes multiple family dwellings as well as single family residences.

The County Zoning Board of Appeals turned down the Country Club PUD April 27, and that decision was confirmed by the Board of Supervisors.

In September 1972, Santino filed suit against the Lake County Board. The school districts of Antioch High School, Emmons Elementary School,

Continued on Page 2

Recognize this neat, tree-lined shopping area? The church spire in the background betrays this as an artist's rendition of Antioch's Main Street. The drawing was prepared for the Chamber of Commerce and Industry to illustrate how their proposed tree plantings and a co-ordinated Village sign ordinance might enhance the appearance of Antioch's business district.

## "A HOMELESS DOG"

Tad is an AKC Registered female boxer who was given to the Village of Antioch in hopes they could find a good home for her.

She has been seen around town for the past three weeks.

WOULD YOU LIKE "TAD"?

Rather an elusive character during the day, she spent all her nights at the Village Waterworks. Some neighborhood youngsters finally caught her and returned her to the Village Dog Pound.

Tad is very friendly with children and a very gentle young lady. The boys who found her have dogs of their own and are anxious to find a new home for Tad. Please call the Village of Antioch at 395-1000 if you can give her a good home.

There are other dogs available for adoption from time to time. Anyone interested in acquiring a dog may inquire at the Village Hall. A very small impounding fee is charged.

## Chamber pushes new beauty for Antioch continued

geometrically spaced pattern. That means that they can be placed so as to not block store signs or windows, or to skip noncooperating merchants, Patterson says.

The next step is removal of overhanging signs under a new village ordinance now under consideration by the Planning Commission. Patterson says it might take up to five years to get the last of the signs down.

Modernization of store fronts might take even longer. The Chamber can only encourage individual businessmen to clean up.

A village committee is currently studying acquisition of the land behind the stores on the east side of Main Street. More parking and a secondary road might go there to make the stores more accessible.

Another possibility is development of the back entrances of the stores. Patterson has already installed a side entrance to his BJ's Fashions for Men and created a special rear section of the store.

The Chamber's plan requires the cooperation of local merchants, Patterson stresses. He feels that increased community interest in the shopping areas might help spark that cooperation.

"People have to realize that a downtown area is a big part of the personality of the whole community," he says.

## Planners discuss 'Time of the signs'

Beautiful downtown Antioch could become even more beautiful if the commercial signs on its buildings were modernized. That's what representatives from two sign manufacturing companies told the Antioch Planning Commission at its meeting Thursday.

The Commission is discussing a sign ordinance for Antioch. Antioch Village Planner Bruce Christiansen promised that planning for the downtown area will include consideration of sign standards.

Christiansen delivered a draft of a Planned Unit Development (PUD) ordinance to the Commission. The ordinance establishes a regular procedure for the approval of proposed housing developments in the village.

The Commission recommended to the Village Board that it give a contract for planning to the Northbrook firm that employs Christiansen. He has been working without a contract.

The Commission also recommended that the Lake County Planning Commission be paid a final \$1,900 for the planning it has done thus far for the village. The Lake County planners fell behind schedule on its contract with Antioch.

The Commission discussed the proposed CABL development. Some of the commissioners complained that only sketchy maps have been made available for their study, Village Clerk Marilyn Sterbenz reported.

## Country Club suit dismissed

### continued

and Grass Lake Shool intervened in the suit on the side of the county in January.

The court help up its decision on the case while Antioch considered annexation of the Country Club property. Santino withdrew his request for annexation August 21, after popular opposition forced the Village Board to promise a referendum on the issue.

Assistant State's Attorney Michael M. Sieman said Judge Geiger dismissed the case on the grounds that the County Board had not acted in an arbitrary or capricious manner. Santino said he was surprised

by the court's action, and did not understand it. "I thought we had a pretty good case, and I think we still do," he said. He has long opposed development of the Country Club with single family housing, noting that a PUD development would produce fewer school children and more tax revenue.

Sieman verified that Santino can still develop the property under its present UR-2 single family residence zoning.

Whatever the developer decides, the long controversy over the Country Club land seems likely to continue. "I didn't pay \$1,750,000 to let the land sit," Santino said.

## ESTIMATED TAX FILING DEADLINE

Individuals filing 1973 Declarations of Estimated Tax have an important deadline approaching. According to Roger C. Beck, Internal Revenue Service District Director for Northern Illinois, September 17 is the date by which third quarter estimated tax installments must be filed and paid.

Mr. Beck reminded estimated tax filers that they no longer will receive a reminder notice each quarter.

Taxpayers whose anticipated income during 1973 has changed may be required to either amend their declaration, or if they have not already done so, to file one. Space to compute the amount of estimated tax due is provided in the estimated tax package.

Further information on filing Estimated Tax Returns can be obtained from your local Internal Revenue Service office.

## EDITORIAL

### ANTIOCH: NO NEON JUNGLE

Downtown Antioch is no neon jungle. The village has a basically neat and charming central business district. An effective sign ordinance would help preserve the small town charm of the downtown area in the face of Antioch's almost inevitable growth.

That is one reason we applaud the Planning Commission's discussion of a sign ordinance at their meeting Thursday, and hope that the Commission will recommend strong sign regulations to the Village Board.

Growth will put new pressures on the downtown area. In some communities, these pressures have led to the erection of immense, garish signs that swirl, flash and explode in an effort to attract customers. Piled on top of one another, the signs do little except distract drivers, look ugly and cost their owners lots of money for upkeep.

Right now Antioch has no sign ordinance as such. There is an article on signs in the zoning regulations, but its provisions are very general. And there is no provision for sign permits or fees.

Antioch needs a sign ordinance to protect its good looks. But another reason we support a strong sign ordinance is that the downtown area has the potential to be truly "attractive" to customers and beauty-lovers alike.

A strong sign ordinance can achieve a "unified look" in a business area, explains Lewis Simon of the Planning Commission's sign committee. More subtle, less flashy signs can replace the downtown clutter with a single, eye soothing theme.

Simon would like to eliminate signs that overhang the sidewalk and bulge out on pedestals. He is also a member of the Chamber of Commerce, and notes that the Chamber plans to put trees in the downtown sidewalks.

"The trees aren't going to stand out and look good if you've got all those signs around," he says.

Simon compares "sign pollution" with water and air pollution. Cleaning up downtown clutter is part of a new trend to make the world more liveable, he says.

We agree. An effective sign ordinance will help make Antioch a better place to live as well as more beautiful and more prosperous.

#### HOUSE OF REPRESENTATIVES

Rev. L.H. Messersmith Retires  
HON. ROBERT MC CLORY  
of Illinois  
In the House of Representatives  
Friday, July 20, 1973

MR. MC CLORY. Mrs. Speaker, one of the greatest influences for good in Illinois' 13th Congressional District is the presence of Rev. and Mrs. L.H. Messersmith. Lauren Messersmith has been the resident minister at the Millburn Congregational church since 1942, following his graduation from Chicago Theological Seminary.

Mr. Speaker, I have had an opportunity on many occasions to visit Rev. Messersmith's church in Millburn to hear him preach and to benefit from his less formal communications to members of his congregation and many others.

Lauren Messersmith is a straight-forward man whose example of unspectacular, but solid Christian living has been inspiration to all with whom he has come in contact.

Mr. Speaker, assisted by his devoted wife, Marguerite, who has been a first

grade teacher at the Woodland School in Gages Lake, Rev. Messersmith has been more than a Christian minister - he has been a spiritual and community leader in Northwest Lake County. Indeed, the influence of Rev. and Mrs. Messersmith has reached far beyond the immediate area where they serve.

Mr. Speaker, without recounting the many community and civic honors which have been accorded to them, may I state simply that Lauren and Marguerite Messersmith have reached into the hearts of the citizens of Illinois' 13th Congressional District, and have brought forth the best that is in all of us.

Mr. Speaker, it is my understanding that the Messersmiths will do some extensive traveling together, before settling down in a home in Leisure Village at Fox Lake. I am sure that I speak in behalf of all my constituents who are acquainted with them when I extend to Rev. and Mrs. L.H. Messersmith our appreciation for their lives of Christian service, and for their unselfish devotion to the interests of all of us who reside in the areas where they have served. We join in extending to them our best wishes for good health and happiness together in the years ahead.

The recent Congressional recess provided an opportunity for sounding out constituent opinions regarding the State of the Union. Notwithstanding the recent saturation of TV channels and other news media with the Watergate hearings and varied interviews and commentaries on this subject, there appears to be broad public interest in the state of the national economy.

Inflation and a rising cost of living have produced widespread concern for the Federal budget and numerous national spending programs. Underlying the economic issue is a demand for responsible Federal action to bring the nation's fiscal business into line so that Federal expenditures from the Federal Treasury may be matched by receipts.

The President's policy of impounding funds of various Federal programs has been followed by the elimination from the Federal budget of funds for a substantial number of the so-called Great Society programs developed in the administration of the late President Lyndon B. Johnson.

Both the President and the Congress have undertaken to set an overall ceiling on Federal spending during the next fiscal year. This ceiling established at about \$268 billion, serves as a guide to the President and the Office of Management and Budget (OMB) with respect to appropriation bills-and is influencing the Congress in holding the line on many Federally-sponsored programs.

One effect of this competition to curtail Federal spending resulted in a reduction of last year's Federal deficit by more than \$10 billion from the Administration's earlier estimate. During the current fiscal year, it is expected that the budget may indeed be balanced between income and expendi-

September 7, 1973

Dear Editor,

The first thing that surprised me about Antioch was how clean all the windows are. They really do "seem to disappear," the way they never do in the polluted urban areas where I grew up.

The second thing I noticed

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

tures-for the first time since 1969.

One of the broad and more difficult issues is the phasing out of various categorical grant programs for which the Administration expected its programs of revenue sharing to serve as a substitute. President Nixon's determination to reduce the size of the Federal bureaucracy is dependent upon eliminating some of the more than 1,000 Federal categorical grant programs-and the substitution of Local and State control over comparable activities-utilizing funds from general and special revenue sharing.

Another substantial dilemma which is being experienced comes from the current high interest rates. With respect to Federal borrowing, it is estimated that the Federal government will incur additional interest costs of up to \$2 billion.

The traditional policy of voting for large appropriations without supporting corresponding measures to increase revenues is no longer popular. The American taxpayer appears to be increasingly wise to the fact that additional spending, however laudable the purpose, entails increased taxes, inflation-or both.

Both in the policy of this Administration, as well as in the budget-control measures pending in the House and the Senate of the Congress, there is a firm commitment to an effective lid on Federal spending.

Despite conflicts between the White House and the Congress, there are closely similar attitudes on this issue at both ends of Pennsylvania Avenue.

about Antioch is the way even perfect strangers say hello on the street. Again and again I've been embarrassed as I walked right by, too surprised and too stuck in my tough minded city ways to say hello in return.

The third thing that surprised me about Antioch was the number of extremely intelligent and concerned people who are concentrated in this village. There is more competence per capita here than in any other town I've known.

What fascinated me in my few weeks as a reporter for the Antioch News was the potential Antioch has to be a really fine place to live. The talked-of beautification of the shopping areas can make Antioch good to look at. The comprehensive planning now beginning can make it a decent place to live. With continued support, Antioch's schools can provide a superior education. And the new historical society can provide a foundation from the past in a time of growth.

All these things will take energy and determination if they are ever to become more than paper promises. I was sorry to note that the greatest concentration of energy I observed in Antioch -- the Country Club dispute -- seemed to be directed at holding off, rather than controlling the future.

Antioch is going to have to face up to change and diversity. To do that it is going to need courage. Sometimes that will mean the courage to say what you think even when the neighbors disagree. I think the village is lucky to have a newspaper with that courage.

Sincerely,  
David A. Blasco  
Evanston

## Messersmiths honored at Millburn Church

"Home Sunday" is an annual affair at the Millburn Congregational Church of Christ. However, Sunday, September 9, 1973 will long be remembered as a very special day.

The 10:00 a.m. church service was presented by the former pastor, Reverend Melvin Frank from LaCrosse, Wis. Following the morning service the congregation adjourned to Lauren Hall where the ceremony of the burning of the Church mortgage was held. Mr. Robert Denman, being Master of Ceremonies, called to the stage the Reverend and Mrs. Messersmith and Mr. Homer White. Mr. White formerly made the motion to name the church Hall after Rev. and Mrs. Messersmith and presented the church with a large bronze plaque naming the hall - Lauren Hall. Mr. and Mrs. Homer White presented the plaque to the church in honor of his father, Mr. George White.

The Church Board was then called to take part in the burning of the Mortgage. Following this, Representative Robert McClory was presented. Following several remarks, Rep. McClory presented the Messersmiths with a montage of Washington and the White House with a testimonial to Rev. L. H. Messersmith that he read on the House floor. The testimonial as read is printed on page 3 of this paper.

Open House was held in the Church hall from 1:30 to 4:30. The women of the church served "coffee-and." Many people from all walks of life came to wish the Messersmiths a happy retirement. From the political figures such as the McClorys, Bernings, etc. to the W. C. Petty's, to Ministers and families of the area such as Rev. Laurin and Rev. Williams from Antioch, Mr. and Mrs. Dittman, all the way to people from Waukegan who always came to the annual Chicken Dinners and became acquainted with the friendly twosome. And of course the members of the church and local residents who know the Messersmiths.

At 3:00 p.m. the congregation of people were honored with a concert given by the church choir. They presented some of the old favorite hymns and songs of the Messersmiths. One of the soloists, Mr. Frank DeYoung was introduced along with his wife (also a choir member) as being in the church choir 31 years ago.

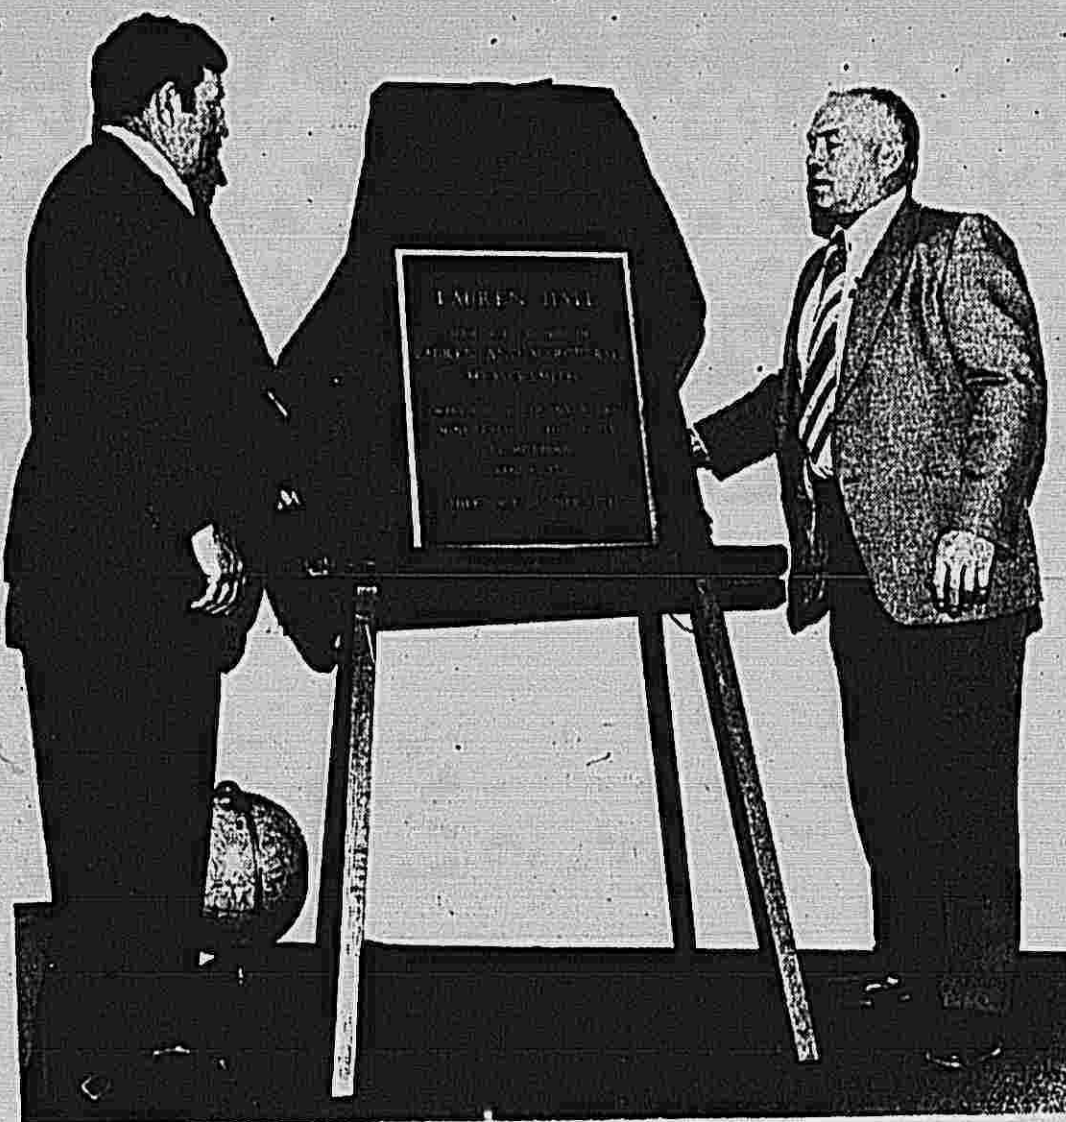

The activities of the day were run extremely smooth. From the many women in the kitchen to the men who worked in the hall to Mr. Robert Denman who was master of ceremonies, the day was a huge success.

Right: The choir of the Millburn Congregational Church of Christ sings some of the favorite songs of the Messersmiths.

Below left: U.S. Rep. Robert McClory presents a special copy of his words of praise in Congress.

Below right: Rev. and Mrs. Messersmith are greeted by State Senator and Mrs. Karl Berning.

## EMPLOYEES DON 'ANTIOCH GREY'

They're not stylish, and they're not a bright color, but the uniforms Antioch village employees will don soon could save your life.

The Village Board voted September 4 to purchase uniforms for employees. The idea is to separate real village employees from impersonators.

People imitating meter readers and electric company "inspectors" have become a real problem in the Chicago area, according to Commonwealth Edison. The impersonators sometimes try to collect payment for an "inspection," or case a home for burglary.

The Village Board took action after reports that someone had impersonated an Antioch building inspector in an attempt to gain entry to a home.

Village workmen are being measured now for grey shirts and pants. Each uniform will bear the person's first name and the name of the village. In the winter, employees will wear civilian jackets with an identification plaque.

The uniforms are on order now, and will be in use in about one month, according to Village Clerk Marilyn Sterbenz—who probably will not get a uniform.

When the nurse anesthetist school at McHenry Hospital opened this week, students Natalie Sinclair, R.N., of Antioch (left) and Dean Leonard, R.N. of McHenry (center) were instructed on the fundamentals of an anesthesia machine by Dennis Rich, C.R.N.A., of Ringwood, director of the two-year curriculum.

## REGISTERED NURSE SELECTED AS SECOND REGISTRANT FOR ANESTHETIST COURSE

A Registered Nurse with 16 years of experience in medical-surgical nursing service has been selected as the second registrant in the two-year nurse anesthetist course being instituted this week at McHenry Hospital.

Mrs. Natalie Sinclair, R.M., of Antioch, will join Dean Leonard, R.N., of McHenry, as a student nurse anesthetist in an intensive course combining 400 hours of classroom study with 750 hours of practical experience under the supervision of Dr. Robert Stanell, head of McHenry Hospital's anesthesiology department.

Successful completion of the course will lead to the students' certification by the National Association of Nurse Anesthetists.

Mrs. Sinclair has previously served on the operating room staff of the University of Indiana Medical Center, where she worked in aortic transplant

and cardiovascular surgery, and open-heart surgery for children. She was on the medical-surgery-operating room staffs at Grant Hospital, Chicago, and Ravenswood Hospital, Chicago.

Her last position before moving to Antioch was as assistant director of nursing services on the night staff at St. James Hospital, Chicago Heights.

"I read about the opening of the nurse anesthetist school at McHenry Hospital in a community newspaper and decided to apply," Mrs. Sinclair said when the announcement of her appointment was made. "For ten years I have thought about studying to be a nurse anesthetist, but it always seemed as though my husband was being transferred whenever an opportunity appeared. I'm delighted to have this chance now that we seem to be permanently settled."

**REMEMBER WHEN?** We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

### ATTENTION COLLEGE STUDENTS-

Please Notify the Office (at 395-5554) of your return to school so we may put your plate in. This way you won't miss a single issue of your hometown paper.

## SENIOR CITIZENS MAY APPLY FOR LIFETIME PASSES

Senior Citizens may again apply for Lifetime Passes to all activities and events sponsored by Antioch Community High School. The offering of the complimentary pass privilege is made possible as a part of the reinstatement of many programs this year that were curtailed during the 1972-1973 school year. The practice was begun in 1969. To date 107 passes have been issued.

If you are a resident of

Antioch Community High School, District 117 and 65 years of age or older, you may obtain a pass. If you are interested in applying for the Senior Citizen Lifetime Pass, write or call Antioch Community High School, 1133 South Main Street, Antioch, Illinois 60002, telephone: 395-1421. You may also apply for the pass in person at the General Office of the high school on any regular school day from 8:00 a.m. to 4:00 p.m.

### COUNTY TREASURERS CAN SUCCEED THEMSELVES IN OFFICE

Attorney General William J. Scott has held that County Treasurers, though elected under the old Illinois Constitution, can now succeed themselves in office.

Scott issued that former Constitution of 1870, Treasurers could not serve a second consecutive term. Scott advised, however, that the new Illinois Constitution contains no such prohibition and he noted: "It has been held that the adoption of a new Constitution repeals and supersedes all the provisions of the older Constitution not continued in force by the new instrument..."

Scott's opinion concluded: "The fact that he (Treasurer) was elected while the old Constitution was in effect, would not, in my opinion, preclude him for succeeding himself now. The 1970 Constitution, as mentioned, does not prevent anyone from succeeding himself. Had the new Constitution wanted to prevent the present sheriffs from succeeding themselves it could have so provided..."

## CHILDREN: THE CHALLENGE OF PARENTHOOD

Raising children is an important job. To help parents with this important responsibility, Family Counseling Clinic is offering a new course, **CHILDREN: THE CHALLENGE OF PARENTHOOD**, as part of their Adult Education Division.

The course is for one or both parents and will use the book *Children: The Challenge* by Rudolph Dreikurs as a basic text. The class will be oriented toward helping parents establish discipline without tyranny, and to create a cooperative democratic family life style. The class will meet on Monday evenings from 8:30 to 10 p.m. for 10 weeks beginning September 24th and will be led by Jim Friedman, staff psychologist and Director of Community Services at FCC. The cost is \$25.00. Interested persons may register by calling 223-8107.

## ANTIOCH POLICEMEN ATTEND WEAPONS FAMILIARIZATION COURSE

Antioch Police Officers Mason, Revell and Miller attended a one day weapons familiarization course held on August 30th. Held at Camp Logan near Zion, Illinois, the course was designed to help local police departments train their new men and up-date their present staff in the proper use of their weapons.

The men who were present fired some two hundred rounds with both pistol and shot guns

under the direction and guidance of the F.B.I. who helped with the training. The course was sponsored by the Lake County Chief of Police Association, and they are planning to make this a semi-annual course in Lake County.

The Village Board okayed the project on the advice of Chief Wells and provided the funds needed for the days training.

SEPTEMBER 10, 1903

To Rent - Barn room to students who wish to drive to school. Inquire of Mrs. A.G. Watson.

By the request of the many friends of Mr. and Mrs. L.I. Turner, they have decided to give a free dance at the C.E. Herman Bluff Lake Resort on Saturday evening.

SEPTEMBER 13, 1923

Mr. and Mrs. N.L. Nelson and Miss Vera Nelson motored to Kenosha on Sunday for a visit with friends. Miss Vera remained for a longer visit.

Before a crowd of 1500 fans the Antioch (baseball) team battled the Algonquins, champions of McHenry County, to a 16-inning tie, the game being called on account of darkness.

SEPTEMBER 10, 1953

Mr. and Mrs. Dan Williams and daughter, Nancy, of Des Moines, Iowa, spent the Labor Day holidays with Dr. and Mrs. R.D. Williams and daughter, Betty Lu.

Construction has begun on the "Little League Baseball Field" here in Antioch Municipal Park. The cyclone fence, the dugouts, the concession stand and bleachers will be erected as soon as leveling is completed.

SEPTEMBER 12, 1963

Five women employed at the State Bank of Antioch - Mrs. Oliver Hunt, Mrs. James Palm, Betty Wurster, Harriet Wells, and Arlene Jewell - are now attending a sixteen-week course on "Principles of Bank Operations."

The Stop and Go lights at the intersections of Routes 59 and 173, and 21 and 173, went into operation Tuesday afternoon.

## sewer plant job awarded

The Village Board of Trustees gave EMCO Contractors of Elgin, Illinois the contract for construction of Antioch's planned sewage treatment plant at their meeting September 4.

EMCO turned in the lowest of seven bids - \$578,352.

On the recommendation of Trustee Marge Nelson's special committee, the Board declined to join in a Red Cross blood giving program that would have provided blood for Antioch residents and their relatives.

The committee reported that many Antioch residents already participate in blood banks in

Lake County.

In other action, the Board formally accepted the minutes of the previous two meetings. One of these contained a motion by Nelson requiring that a referendum precede any Board action towards annexation of the Antioch Country Club property, site of a proposed residential development.

The Board will advertise for bids on construction of a water main on McMillen Road. The main will provide better fire protection for the southeastern section of the village, Village Clerk Marilyn Sterbenz said Thursday.

## Actors and actresses needed for Drug Education program

Socially concerned actors and actresses are needed to devote their dramatic skills toward a unique community drug education program. A series of dramatic simulations related to drug abuse will be staged in Lake County communities from November through April.

An informational meeting to describe and discuss the

project's concept, plan and individual commitment is scheduled for September 6 at 8:00 p.m. at the College of Lake County in the building 1 Quiet Lounge.

Further information may be obtained by calling the college office of community services at 223-6601.

## TWO DEUSTER BILLS AMENDED BY GOVERNOR WALKER

Governor Dan Walker has amended two bills sponsored by State Representative Donald E. Deuster (R. Mundelein) to modernize the Illinois law for giving "public notice."

Under the two Deuster bills, Illinois Municipalities and Fire Protection Districts may publish notice of their budget hearings and ordinances in a county newspaper circulating in the area. Previously they had to tack up notices on telephone poles or other places in the public view.

Both measures (H.B. 203 and H.B. 204) passed the General Assembly and were presented to the Governor. In exercising his Constitutional power to "amend" bills, Governor Walker said: "I agree that the publication alternative would be a better method of providing public notice that posting."

However, Walker suggested an

amendment allowing posting whenever no newspaper is published in a county.

Deuster commented: "I am happy that the Governor supports my change in the law. Actually, there is a newspaper published in every Illinois county. But, the Governor's amendment improves my bills by allowing for the old posting method should the present situation change and no newspaper exist in a county."

When the General Assembly convenes October 15 to consider Gubernatorial action, Deuster will recommend that the Legislature accept the Walker amendments pursuant to Article IV, Section 9 (e) of the Illinois Constitution. Upon the Legislature's acceptance and Governor Walker's certification, the Deuster bills will become Illinois law.

## US SENATOR EDWARD J. GURNEY TO SPEAK AT LAKE COUNTY REP. FEDERATION DINNER

U. S. Senator Edward J. Gurney (R-Fla.), member of the Senate Select Committee on Presidential Campaign Activities, will speak at the fund-raising dinner of the Lake County Republican Federation November 9 at the Holiday Inn, Mundelein.

A native of Maine, Gurney, 59, is the first Republican Senator elected from Florida since Reconstruction days. He had been a Florida member of the U.S. House of Representatives for three terms, and previously was city commissioner and mayor of Winter Park, Florida.

Gurney received his B.S. degree from Colby College in Waterville, Maine, and his law degree from the Harvard Law School. He served with the U.S. Army in the European theater of World War II, emerging as lieutenant colonel. He was hospitalized two years because of war wounds.

Mrs. Augustin S. Hart, Federation president, said funds raised will be used to maintain the Republican Headquarters in Waukegan and to finance the Republican election campaign in Lake County. Paul Robinson Jr., Lake Bluff, will be dinner chairman.

## DR. A'S MINI-TALES The Magic Notebook

Christopher found a strange notebook and pencil on the way home from school. Things that he drew in it came to life. He drew a bird in a tree, and the bird flew down to catch a worm. A squirrel chattered at him. Then suddenly Christopher was inside the notebook world. He drew some more animals. Then he tried to draw a girl to play with. But his drawing looked more like a witch. "What a funny witch!" he laughed. The witch was angry. "I will turn you into a pumpkin!" she shouted. And when he tried to erase her, she put a spell on his eraser. Quickly Christopher drew a magic lamp and rubbed it hard. A genie popped out. In a flash he made the witch disappear. Then he fixed Christopher's eraser. And he made a beautiful little girl named Miranda. "I've had my three wishes," said Christopher. "Now what can I

do for you?" The genie asked to be set free, so Christopher erased the lamp. He and Miranda had fun. But when it was time to go home, he didn't know how. He drew a wise old owl, who said, "Just draw a door and walk through." Christopher asked Miranda to come along, but she said she must stay in the notebook world. Christopher promised to come back to visit her again.

Delta Air Lines will never be the same after transporting the Messrs. Lee Bolton and Bob Huebner to Florida and back. The guys spent a wonderful two weeks fishing, sailing, swimming and mostly loafing. Welcome back guys and remember "all good things come to an end," back to the jobs. Ugh!!

John Hanson just returned from Florida also after visiting with relatives in St. Petersburg for three weeks. What is it about Florida guys? One thing for sure - they couldn't beat us temperature wise these last weeks.

Trudy Mann is back and hard at work after a visit with her daughter on the East Coast. Also just back from vacation are Betty and John Christiansen who were in Michigan visiting relatives.

Former Antioch resident Bill Burns is spending some time with Marv and Shirley Toepper at their resort in Minnesota. Bill will be working for them until he goes off to school in Bemidji Minnesota. The Toepers are doing fine and working very hard at the resort business. You're sorely missed at the clinic, Shirley.

Dave and Barb Vos bought a new home and have moved to Rock Lake, Wisconsin this past weekend. Good luck in your new home you two!

Our congrats to the Mens No. 2 Waterfight team who won again this weekend.

Get ready for the Little League Banquet Dads - plans are being made for this special event to be held sometime the end of this month.

Hey Everybody!! Plans are

being made for the 4th Annual St. Peter's VIP Dinner Dance. Mark November 17 on your calendar now and be sure to make reservations. It will be limited to 125 couples and will be held at Lorenz's Smart Country House in Antioch.

Congrats to the Girl Scouts who are celebrating their 25th anniversary at an Open House at the Antioch Scout House on Sunday, September 16 from 2-4 p.m. The public is invited.

The Hastings Y Indian Guides bid Chief Roger Schultz and his wife Marilyn a fond farewell at a bar-b-que last Friday evening. The rug was a little worse for wear by the end of the evening but with a little sprucing up and perseverance all will be fine again. Good luck in California guys - we'll miss you.

Anniversary congratulations to Mr. and Mrs. Robert Gross from their children who celebrated 25 years of wedded bliss on September 11. Our congrats to Pat and Jim Harvey who will celebrate on the 16th.

Birthday wishes to Darlene Freitag and Betsy Lipscombe who celebrate on the 13th, special wishes to Alice Palaske on the 14th, to Donna Marie Chase, Kathleen O'Connor and Marg Berg on the 15th, to Vivian Bonner and Tom Runyard on the 16th and Pearl Davis and Jerry Drije on the 19th.

Don't forget to get out there and cheer those Sequoits on to victory Saturday. Hey - don't forget to enter our football score contest. See details on the football page.

See ya  
Annie Mae

## Familiarize yourself with postal facilities in Village

Postmaster Walter P. Barnas today called on postal customers to familiarize themselves with the different type of collection boxes in the city.

"Good mail service often depends upon the proper selection of a collection box for depositing letters," Postmaster Barnas said.

"The Postal Service is aware that the keys to good collection service are proper identification on boxes concerning the level of service afforded and the collection of mail on schedule to help assure that national service standards are met," he said.

Postmaster Barnas said that all collection boxes in the city have a new, clear readable label located near the top of the box on the service shelf below the handle. "These labels clearly indicate pick up times and they refer the customer to the nearest collection box with a later pickup," he said.

Collection runs are scheduled in the late afternoon and early

evening in business and residential areas where there are large volumes of mail deposited.

"More than 20 percent of the street collection boxes are arterial with collections up to 5:00 P.M." Postmaster Barnas said. "These boxes are strategically located throughout the delivery area so that customers will not have to travel more than 1 1/2 to 2 miles from their home.

"In residential sections," he said, "Letter carriers normally make collection from the neighborhood collection boxes when serving the area. The quantity of mail deposited at these locations is usually small and the service provided meets the needs of most residents."

He pointed out that labels on the neighborhood boxes provide customers information on the location of the nearest arterial box affording later collection.

Collection schedules for Sunday and holidays are explained on the label.

## BIKE RODEO PROMPTS SAFETY

There were no wild broncs or bucking bulls at the rodeo in Channel Lake Saturday. And the contestants were kids instead of cowboys.

It was a bicycle rodeo at Channel Lake School, sponsored by the Boy Scouts. Over 60 kids had ridden their two wheelers between pylons, dropped marbles into boxes while moving and tried to beat the balancing record by the time the rodeo was half over.

Boy Scout Bill Harland planned and arranged the rodeo as his public service project for admission to the Eagle Scouts. The kids had a lot of fun at the rodeo, but its real theme was riding skill and bicycle safety.

The first thing contestants did was take a written bicycle safety test. From there, they rode through obstacle courses, tried to balance their vehicles between two stripes four inches apart, and competed in a race

won by the slowest rider. Dropping marbles into cardboard boxes arranged in a maze looked like the hardest skill test.

Boy Scouts (and some girl helpers, Harland allowed) scored the contestants. There were prize ribbons for first, second, and third place winners in each age group.

But the real winners were those who absorbed a little bicycle safety information and learned a little more about how controllable (or uncontrollable) their bikes are. Every contestant received some reflective tape for his bike, and a copy of the bicycle rules of the road.

Harland also had a bicycle safety film shown to Channel Lake School gym classes Friday. It probably would have helped this reporter score better than a 96 on the written test. Some advice: never move to the center of the street before making a turn on a bicycle.

## MATTRESS FIRE DAMAGES HOME

A small fire caused several hundred dollars damage to the old Hill farm house on Rt. 83 Tuesday night, Antioch Fire Chief Tod Mapletorpe reported.

According to Mapletorpe, the fire began on a mattress at about 11 p.m. Cause of the fire was not immediately determined he said.

## CHANNEL LAKE CHATTER

Nancy Bottenfield, who will become Mrs. Douglas Runyard on Saturday, was the guest of honor at a bridal shower on August 29. Hostess' were Mary Jo Zeien, Kathy Behrens and Vicki Sershon. Nancy received many lovely and useful gifts which made all us old married ladies very envious. Then on September 6 Nancy, again was feted with a shower at the home of Barbara Bjork. The many lovely presents she received will go a long way toward setting up her new household.

On Saturday it was the bridegrooms turn as his brother Tom Runyard hosted a good old fashioned stag party. Many of our area men attended and had a great time. Here tell some didn't get home til the wee small hours which needed some tall explaining to their wives.

Wayne Bobo spent the Labor Day weekend in Victory Memorial Hospital undergoing tests.

Our family spent the holiday's in Kankakee attending and working at the inboard boat races. For the first time in

many years we had a sunny warm weekend. Kankakee is famous for their rainy, cold Labor Day weekends.

Mike and Mary Jo Zeien and children, Dan and Linda Runyard and children along with Harriet Runyard spent the long weekend camping at Tom Potter's property in northern Wisconsin.

Happy Birthday to 5 year old Connie Meyers who celebrated by taking cup cakes to share with her new kindergarten class at Channel Lake Grade School.

Also celebrating birthdays were Donna Conklin and her son Jeff who shared birthday cake on Sunday, September 9th. Jeff, became a teenager and his mother isn't talking. Here tell the kids asked their grandmother, Dolly Bobo how old their mother was going to be, so its not a secret any more.

The bike rodeo held at Channel Lake Grade School last Saturday morning was termed a huge success by the more than 60 kids that participated. The rodeo was the service project of Bill Harland who is working very hard to attain the rank of Eagle in Boy Scouts. Winners of ribbons for the day were-Kdg 1-Mark Mennigler, Tina Wall and Wendy Wais; 1st Grade-1. Kim Causey; 2. Chris Zeien 3. Chip Gevins; 2nd Grade-1. Jimmy Wais 2. Amy Rogers 3.

low profit paper.

Local independent community banks, on the other hand, generally invest a large proportion of their non-loan funds in the debt issues of the areas they serve.

For example, at First National Bank we have funds invested in bonds issued by Antioch local school boards and other municipalities and communities in Illinois. In addition, we often act as financial advisor to local government and school board officials so that they can take advantage of favorable market conditions when raising funds.

This can be directly important to every citizen. During 1966-67 and again in 1969-70, when interest rates skyrocketed, many cities and towns were forced to postpone important local projects because they were prohibited by law from paying the high cost that borrowing in those periods would impose.

In many small towns, where independent community banks are the prime source of financing, these problems were overcome. Often the bank agreed to purchase a full issue of local bonds at the rates acceptable to the community—no matter what the prevailing market conditions called for.

Thus, the paradox existed of the nation's largest cities, paying unheard of interest rates or postponing needed programs while smaller towns were able to go ahead with financing plans. However, in states dominated by large banking systems—which must account to stockholders for every move—the problems of the money prevailed even in the smallest towns.

There are many areas in which a bank with strong community identity can make a difference to the local economy. None is more significant, perhaps, than the role played by independent community banks in school and government financing programs.

Susan Lemke. 3rd Grade-1. Andy Runyard 2. Wade Hucker 3. Bernard Anderson; 4th Grade-1. Jill Harland 2. Eileen Irmen and a 3rd place tie for Wendy Conklin and Marshall Melis; 5th Grade-1. Jeff Lemke 2. Tod Barnes 3. Kim Conklin. Here tell one of our News staff

took the written test but I wasn't told what ribbon he won.

There has been some vandalism around our school the past few weekends. Windows have been broken and words of an unkind nature painted on the brick walls on the north side of

the building. This costs extra tax money to repair and remove and I'm sure these people don't realize that we as taxpayers have to help pay for this damage plus the extra work time needed to do the work. Let me know the news!

Louise

## ANOTHER KEY BANK FUNCTION

BY L. M. Woods  
President  
First National Bank of Antioch

Most people think of banks as businesses which might be willing to lend you your own money if you can catch the boss in a good mood. However, we do a lot more than just take in deposits and make loans.

A key function of banks that affects every citizen is investment in state and local government financing issues. Banks represent the single most important market for these bonds, and, in communities like Antioch, the local bank often can be the difference between a key local project succeeding or being discarded.

Communities raise money in two ways—taxes and borrowing. Often borrowings for specific projects can avert tax increases by improving the overall capacity of the community to bring in revenues.

But it can be difficult at times for a small town to raise money in debt markets. Large banking systems generally are interested more in acting as underwriters or agents for bond issues than they are in buying these securities. The underwriting function can produce quick profits while avoiding the necessity for tying up large amounts of funds in relatively

## American Legion Auxiliary

by: Del Jahneke

"School has just begun, and it is the smart senior and under graduate who are already making plans regarding their further education" states Mrs. Ray Panzer, Gurnee, district Auxiliary Loan and Educational Scholarships Chairman of the 10th District American Legion Auxiliary. "Many kinds of scholarships are available through the American Legion and the Auxiliary, and will be dealt with later on in this article".

The 52nd observance of National Education Week in America is from October 21-27th. It is sponsored by the National American Legion, the National Educational Association, the National Congress of Parents and Teachers and the United States Office of Education. The purpose of National Education Week is to increase public understanding and appreciation of the schools and to secure civic and community support for measures to improve them.

Mrs. Panzer reminds the 22 Lake County Units of the 10th District Auxiliary that they should be sending their contributions to the Illinois Auxiliary Loan, Educational Scholarship Fund. She stresses the fact that there are two sections to this program. There is the Auxiliary Loan fund, where eligible high school graduates may obtain loans to further their education. Also, in the other section, there are many other scholarships to be had. No Unit can sponsor an eligible high school graduate for either a loan or a scholarship unless they have made donations to both of these funds.

There are three types of scholarships available to daughters of deceased veterans. Ten National Presidents' Scholarships of \$1,500.00 each (two given to each of the five national divisions) and ten Illinois Opportunity Scholarships of \$600.00 and \$350.00 each. Scholarships are given on the basis of financial need, scholastic ability and good character qualifications.

Scholarships of \$200.00 each are given to daughters of living veterans of World Wars I and II, the Korean and Vietnam conflicts. At last year's state convention, some 26 various kinds of scholarships were presented to 26 eligible high school graduates. William Schultz of Wadsworth won a \$600.00 scholarship.

Also, there are scholarships for veterans of World War II, the Korean and Vietnam conflicts, who are graduates of accredited high schools and are in need of financial assistance to further their education. The maximum amount given is according to funds available for this purpose.

Nation-wide, the American Legion Auxiliary offered 732 extra scholarships with an overall value exceeding \$122,000. Departments also gave scholarships making the grand total of \$205,000.

Nearly every Unit purchases copies of "NEED A LIFT?", a brochure that was compiled by the national American Legion, with the assistance of over 200 national organizations. This brochure is revised annually and released when school starts each fall. It is estimated that the contents of "NEED A

LIFT?" could lead students to sources of scholarships, loans and part-time jobs to help them in the forthcoming year in excess of \$3 billion. These booklets are usually given the public high school library, town library, girl and boy states, and any interested person.

Mrs. Lillian Hand, the Antioch Unit Auxiliary Loan chairman, says that "NEED A LIFT?" is given to the Antioch Community High School, the Antioch township Library, their stater and others.

The Department Board meeting of the Illinois Auxiliary will be held at the Pick Congress Hotel in Chicago, September 20th and 21st. Mrs. Norman Holt, North Chicago, 10th District President; Mrs. Ted Odom, Libertyville, district Vice President; Mrs. Herbert Gleason, Libertyville, Assistant State sergeant-at-arms; and Mrs. Robert Broege, Deerfield, district rehabilitation chairman, will be in attendance. Also, invited to be in attendance are Mrs. Edward Jahneke, Antioch, Department President's Press Book chairman; Mrs. Joseph Hogue, Waukegan, State committee member on children and youth; Mrs. Ray Rathmann, Antioch, state committee member on past president's parley; Mrs. A.J. Dorn, Mundelein, state committee member on Gold Star; and Mrs. Everett Ainsworth, Lake Forest, state committee member on Auxiliary Loan, Educational Scholarships.

Mrs. John L. Horan, Antioch Unit President, announced that the Antioch Unit members will be serving the refreshments for the 10th District Legion meeting on September 21st at the Antioch Legion Hall.

### ST. PETER SCHOOL ENROLLMENT UP

St. Peter School begins its 25th year with an enrollment of 287 students, the highest in three years. Three new staff members have been added. They are Helen Darre, math teacher in the upper grades; Patricia Donovan, first grade; and Alice Brown, reading teacher in the upper grades.

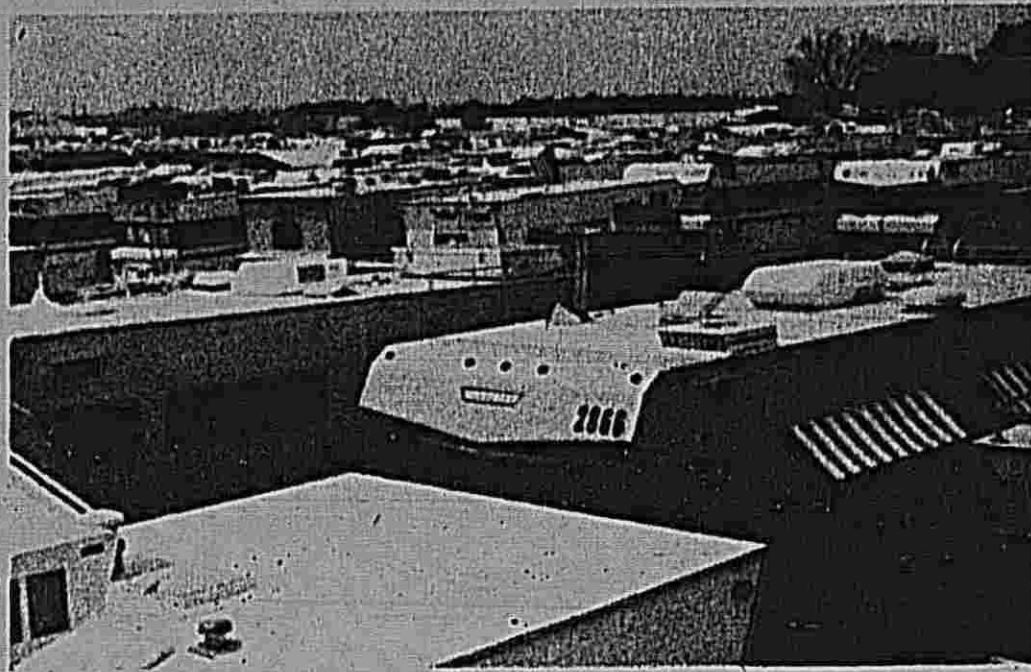

### WOMEN OF THE MOOSE

A special enrollment and ritual practice was held on August 23rd. Those enrolled are: Carole Quinn, sponsored by Irene Brylinke, Virginia Schlichtenmyer, sponsored by Dorothy Laursen.

Share the Pot was won by Marie Vos.

At the regular meeting the guards escorted Irene Klemz to the Altar where she introduced members of the committee. Checks were presented to the Senior Regent for Mooseheart scholarships and all weather coats. Entertainment for the evening was a film on the different cuts of beef presented by Eagle Foods.

Don't forget to keep September 15th open. That's the night the Moose will honor Ronald S. Polson. He will be robed as Pilgrim, a very high honor. The officers stations will be filled by Pilgrims from surrounding lodges, Congratulations Ron...

A field near Forest City, Iowa, was covered by the "Winnebago Sea" recently. The event was a rally of the owners of the travelling homes. The Charles and Art Wertz's of Antioch were among the 3,000 participants.

## Wertz's drive to Iowa in Winnebago

The Charles and Art Wertz's drove to Forest City, Iowa in their Winnebago Motor Homes to attend a 4 day Rally of the W.I.T. It was quite a sight seeing over 950 units pull in from all directions. Upon arriving each was given a number which had a match somewhere among the 3000 people. If and when you found your matching number you took your mate and collected a nice gift from headquarters. It was fun going up and down the rows of "Winnies" searching for your match as everyone was also. The numbers were in the front and back windows of the units and many had theirs pinned on them. Charles and Art were lucky, they found their two mates in the same winnebago. Dot and Curly weren't so fortunate, it took a couple days.

Many activities were planned contest, tours, bingo, square dancing and even a trap shoot where Charles won a second place ribbon.

In the evenings many huge campfires were going and with the ideal weather everyone really enjoyed sitting around the fires.

Sunday morning church service was held in a huge tent, then a free lunch of local sweet corn, hot dogs and beans.

## CARMEL HIGH SCHOOL PLANS CARNIVAL FEST

Plans are spinning for an extravaganza weekend starting Sept. 13 and continuing through Sept. 14, 15 and 16 from 6 p.m. to 11 p.m. report Chairman John Flynn and CoChairman Earleen Constantino, Carnival committeehead.

Fascinating games, a variety of rides with appeal to all ages, bingo, and food to savor appetites will involve students, faculty, and parents of Carmel

Community.

The 2nd annual Carnival Fest, held on school grounds, will also feature Carmel Football game against Lane Tech on Friday, September 14 and a scheduled Rifle Semi-Pro Football Game on Saturday, September 15.

When asked how plans were developing, Chairman Flynn replied, "Come follow me with family and friends...it'll be a whirlwind weekend."

### TEACH CHILD PEDESTRIAN SAFETY

If you child is old enough to cross the street by himself, the Chicago Motor Club-AAA suggests that he's old enough to

learn and observe rules of pedestrian safety.

Parents are urged to conduct a class this summer with their children on pedestrian safety to make sure they know the rules.

## THINK ABOUT IT...

# GUARANTEE... GENUINE OR GIMMICK?

Some of today's "Discount Retailers" and "15 minute" parts installers have bombarded the motoring public with unrealistic and many times misleading claims of extended and even "Lifetime" guarantees.

Examine the guarantee policies of some of America's premier manufacturers of quality products...Cadillac, Magnavox, RCA, Outboard Marine, and any others you choose.

You'll fail to find where any of these top quality companies offer a lifetime guarantee on any of their products...because they know they must be honest with their dealers and their customers.

Indeed, they have learned that **QUALITY** is its own best **GUARANTEE**.

All of OUR products are **GUARANTEED** against defects in material and workmanship and to function properly for a reasonable length of time.

Our product **GUARANTEES** are **GENUINE**, not **GIMMICK**! Give our Quality Parts and Service a chance to satisfy you! Available **IMMEDIATELY** thru YOUR repair garage mechanic or service station.

## JAMES S. KEMPER, JR. NAMED CHAIRMAN OF KICK-OFF DINNER

James S. Kemper, Jr., president of the companies of the Kemper Insurance Groups, Long Grove, has been named chairman of the Kick-Off Dinner for the 1973-74 United Way of Lake County Campaign, Dick Newland, General Campaign Chairman and President of the Bank of Waukegan, announced yesterday.

In accepting the appointment, Mr. Kemper spoke of the Kemper Insurance Group's interest in its Lake County neighbors. "Since moving to Long Grove, Kemper people, anxious to be an asset to the community, have found and

acted upon many opportunities for service. So, I'm very pleased," he continued, "to have been asked to head up this kick-off dinner. Its success can set the tone for the entire campaign. And, we are confident that it will be very successful!"

Mr. Kemper is a director of the National Council of Alcoholism, Inc., Boys Clubs of America, Chicago Boys Clubs and Lyric Opera of Chicago. He is the President and Trustee of the James S. Kemper Foundation, the College of Insurance (New York) and Northwestern Memorial Hospital (Chicago).

## New Deductions

Rick and Kathy Ericksen are the proud parents of a baby boy born this last week. A good size fellow, Brian Christopher weighed in at 9lbs. 10oz. and was 22" long.

The Ericksens, both graduates of Antioch Community High School, are residing in Sycamore, Illinois now where Rick is working on his Masters Degree in Geology.

Happy grandparents are Mr. and Mrs. Robert Gross and Mr. and Mrs. Warren Ericksen both of Antioch.

Barbara and Victor Holtzinger of Antioch are the proud parents of a bouncing baby boy, Adam Victor, born August 31 at 3:53 a.m., weighed in at 8 lbs. 11 oz. and was 20½ inches long.

The Holtzingers have two other children, Mark 3½, and Michelle who will be 6 this month.

Maternal grandparents are Mr. and Mrs. Joseph Migala of Chicago and paternal grandparents are Mr. and Mrs. Victor George Holtzinger of Granbury, Texas.

Mr. and Mrs. Roger Mortensen of Lindenhurst are the proud parents of a baby girl, Michell, born August 21, tipped the scales at 7 lbs. 4 oz. and was 19½ inches long.

The Mortensen's have three other children, all girls.

Maternal grandparents are Mr. and Mrs. Wayne Towers of Springfield and paternal grandparents are Mr. and Mrs. Hans Mortensen of Kimballton, Iowa.

## SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another: companionship; fellowship; connection; participation.

## WELCOME WAGON PLANS BUSY MONTH

The first general meeting of the Antioch Welcome Wagon's Newcomers Club held on September 5 at the State Bank of Antioch was a most successful one in terms of good fellowship and culture. Members were treated to a very stimulating talk by Mr. Kromer of Bernadette's Antiques Art and Crafts Store about the philosophy of art.

On September 6 Mary Ellen Rizzon had a coffee for Antioch's most recent residents at her charming newly raised home. The next coffee for new arrivals will be held at Marion Rohde's home on October 2 at 1 p.m. To get directions or to have transportation provided call 395-5609.

On Saturday, September 15 the Newcomers Club will hold an old-fashioned sweet and sour sale at the State Bank of Antioch from 9 a.m. to 3 p.m. or whenever supplies of baked

goods, preserves, fresh home-grown fruits and vegetables, pickled cucumbers and tomatoes run out. Another September event is the decoupage class to be held at Betty Baker's home. For information about supplies needed, directions, transportation, etc., call 395-3650.

October plans call for a hypnotist at the general meeting on October 3 at 8 p.m. at the State Bank of Antioch. Husbands, family members and friends are invited. A fee of fifty cents per person will be charged. A pot luck luncheon is scheduled for October 18 and a real old type Halloween Costume Party with such nostalgia as bobbing for apples and other representative traditional games is to be given on October 27. With these events in store the Antioch Newcomers Club is off to a fun-packed season.

## GRADE SCHOOL BAND STRIKES SOUR NOTE

The Antioch Grade School band program is in its last year unless funding appears from somewhere.

District 34 stopped funding a band program last year for budgetary reasons. The Antioch Grade School Band Parents undertook support of the junior and senior bands, renting instruments, paying an instructor, even paying insurance for the time the kids stayed after school to practice.

This school year the group asked District 34 to fund beginning lessons, while they take care of the advanced students. It takes more time to give youngsters beginning training, and the parents cannot afford to pay an instructor for that extra time. District 34 decided that it cannot afford it either.

So this year the Grade School will have only a senior band, supported by the parents. With no children to feed into it, the senior band will disappear when the current crop of musicians graduate.

That, in turn, means no children feeding into the high school band.

Last year, band parents paid \$1 for each weekly lesson, \$1.50 every month for instrument rental, and \$1 for insurance, according to Band Parents Treasurer Lil Galonka. About 50

children will participate in the senior program this year, she said.

The group's first meeting is set for October. Last year their children held one concert, and played at the Grade School graduation. "I think it really did the kids a lot of good," Mrs. Galonka said.

## ANTIOCH AMERICAN LEGION POST NO. 748 CONDUCTS MEMBERSHIP DRIVE

The Antioch American Legion Post No. 748 at the present is conducting its 1974 membership drive. The Post invites eligible veterans who are interested in being Legionnaires to join at this time as this is the beginning of the Legion calendar year. Eligible dates to join the American Legion are: WW I April 6th to November 11th 1918; WW II December 7th 1941 to September 2, 1953; Korean War June 25th, 1950 to July 27th, 1953; Vietnam War August 5th,

1964 to February of 1973.

Interested veterans are requested to call 395-0483 or 395-0156 for additional information.

The American Legion is the world's largest organization which millions would join if they could, and millions could join if they would.

The Post Commander this year is Dennis Beattie. Cdr. Beattie is a Vietnam Veteran and is the first Vietnam Veteran to be Commander in the Post's history.

## RUMMAGE SALE AT METHODIST CHURCH

The United Methodist church of Antioch, Illinois will hold their fall rummage sale on Friday, September 28, beginning at 9:00 a.m. in Wesley Hall.

There will be a nice assortment of clean clothing, household wares, shoes, furniture, toys and books. A white elephant booth will include knick-knacks and jewelry.

There will also be a booth with home-made bakery goods.

Sandwiches, cake and coffee will be served throughout the day.

## ANTIOCH WOMENS GOLF LEAGUE

Team No. 9 was the winning team in the 1973 Season of the Antioch Womens Golf League. The League is sponsored by the State Bank of Antioch. Team No. 9 members are: Jackie Vos, Lorraine Wilton, and Lou Eckert. Team No. 5 was in second place with members: Nancy Berchtold, Judi Torkelson, Kay Costoff, Irene Hahn, and Cathy Cirone. Team No. 7 finished in third place. Members of Team No. 7 are: Sis Gallagher, Bev Reckers, Annette Lubkeman, Lou Parker and Anne St. Pierre.

Nancy Berchtold turned in the lowest score for the 1973 Season, a beautiful 44.

## SISTER MARJORIE HEIDKAMP ASSUMES DUAL ROLE

Beginning this month Sister Marjorie will assume a dual role in St. Peter Parish. She will continue to teach religion in the upper grades of the parish school as she begins her twelfth year on the staff. She will also act as Parish Religious Education Coordinator. Her duties will include the direction of Saturday School of Religion which numbers over 280 students, and she will also conduct catechist training sessions and parent preparation classes. Sister Marjorie received her BA in history from Clarke College in

Dubuque, Iowa, and has been teaching in elementary schools for the past 18 years. She holds a certificate in Religious Education from Mundelein College and received her master's degree in Religious Education from the University of St. Thomas in Houston, Texas, this past summer. Her range of experience in this field includes many years of classroom instruction in grades 1 through 12, and six years as a director of catechist training sessions in the new Chicago Archdiocesan Religious Education program.

### ST. PETER STAFF

#### EXPERIENCES GROUP SEMINAR

The staff members of St. Peter School spent Friday afternoon and Saturday participating in a group seminar at Benet Lake, Wisconsin. The Seminar was conducted by Rita Dee, Human Relations Consultant for the Archdiocese of Chicago, with assistance from a

co-director, Kevin Murphy. The rationale for such an undertaking recognizes the need for staff unity to help the school live up to its task of guiding and helping children to develop as mature Christians and productive human beings in a society of high-speed change.

#### CAREER COUNSELING SESSIONS SET

Two dates have been selected for free orientations for Family Counseling Clinic's career planning program -- The Career Counseling Clinic.

On Tuesday, September 18 from 7:30 until 8:30 p.m. and on Saturday, September 22nd from 10:30 until 11:30 a.m. the free orientations will be held at the Clinic. Family Counseling Clinic is located on Rt. 120, just west of Rt. 45, near Grayslake.

The Career Counseling Clinic will be explained in detail at the free orientations. Reservations for the free orientations can be

made by calling the Clinic at 223-8107.

Career Counseling Clinic is a unique psychological approach to career planning designed by psychologists at Family Counseling. CCC is individualized so that it will aid anyone from a high school junior to an executive contemplating a job or career change. CCC has also proved itself a good tool for women about to re-enter the work world or returning to school. It has also been used by military personnel in the area about to be discharged and re-entering civilian life.

#### ANTIQUE SHOW AND SALE SEPT. 14-16

Fascinating pieces of the past, gathered by 24 professional dealers, will fill three floors of Fellowship Hall during the annual Antique Show and Sale at Bethany United Methodist Church, 15th St. and Grange Ave., Racine, Wisconsin, Sept. 14-16.

On Friday and Saturday the show will be open from 11 a.m. to 10 p.m. and on Sunday from 1 to 6 p.m.

Dealers who have traveled throughout Europe and America in search of rare and beautiful antiques will be

among the professionals participating.

Furniture, specialty dolls, glassware, silver, jewelry, china--all a nostalgic part of our past--will provide intriguing browsing.

Last year over 1000 persons visited the show, and many commented on its quality and lovely displays.

Nursery care will be available. Lunches, including the popular home-made pies, will be served, and bazaar items will be offered.

#### RECORD-BREAKER AND PARTY ENDS SWIM SEASON

The Antioch Aqua-Center Swim Team, sponsored by the State Bank of Antioch, finished up a very good season with their annual record-breaker swim meet and party. The team compiled an excellent record this year with a 7-2 record in dual meets, two first place trophies, the North Suburban Conference Relays and the Kenosha Relays. They also took a second place in the Antioch Invitational and third

in the always rough North Suburban Conference Meet. Over 100 boys and girls between the ages of 6 and 18 took part and the State Bank certainly deserves a lot of credit for sponsoring such an excellent activity for Antioch.

At the Record-Breaker, the Doug Dodd Memorial trophy was presented to Dave Berry. Making the presentation were

#### REGISTRATION FOR ST PETER SATURDAY SCHOOL OF RELIGION

Registration for St. Peter Saturday School of Religion will be held Saturday, September 22, 1973, from 9 a.m. to 12 noon. Class schedules and regulations will be available at that time.

## CLC OFFERS THREE METRIC SEMINARS

The College of Lake County is offering three separate one-session courses to introduce the metric system. Each session will be conducted in building 6, room 608, on the Grayslake campus.

"The Metric System Made Easy" is scheduled for Wednesday, September 26, from 7 to 9:30 p.m. Instructor Karl E. Lichtenberger of Westminster Office Supply will demonstrate shortcuts in making the metric system work in kitchen, school, shop or business.

A primer session to survey the metric system of measure used in world technology and its application to business and industry will be offered Wednesday,

day, October 3, 7 to 9:30 p.m. Dr. Richard Mattoon, Abbott Laboratories, will conduct "Metric Measure in Business and Industry."

The final session, entitled "How to Teach the Metric System" will focus on proven means for simple conversion. Dr. George W. Bright, Northern Illinois University, will present this course on Wednesday, October 10, from 7 to 9:30 p.m., to teachers and others responsible for teaching metric system use.

Persons interested in any or all of the metric courses should call the CLC community services office at 223-6601 for registration information.

## Sequoit Happenings

### Bits from Barb

By: Barb Olson

After a three month reprieve from study and worry ACHS has started again. Self-scheduling didn't start off with a bang, but gradually everybody got schedules to their satisfaction; at least most students did.

This week the different clubs started meeting to discuss immediate problems.

G.A.A. officers met Tuesday, September 4, to decide which sports they will include in this year's program. G.A.A. officers for the 73-74 school year are: President-Laura Kessler; Vice President-Barb Dodd; Secretaries-Linda Kasik and Teresa Schleusener; Treasurer-Richelle Radke; All-Star Captain-Marcia Doolittle; Sports Manager-Julie Ellis.

There is a general meeting scheduled for Monday, Septem-

ber 10, for old and new members.

Color guard met twice this week to discuss whether they would march with the band this year during football half-times at home games. This year's Color Guard officers are: Captain-Barb Dodd; Sergeant-in-Arms-Laura Kessler; Secretary-Kim Vasek.

Color Guard will soon hold try-outs for a replacement of Sue Rigby who has moved.

Try-outs for Junior Varsity cheerleaders were held this week. Congratulations to the new football cheerleaders: Jody Fields, Michelle Roth, Nancy Pawlowski, Kathy Pashke, Beverly Wiegert and Gina Teresi.

Yearbook staff met with a representative from the yearbook publishers to discuss deadlines. At the meeting new members were accepted.

Mr. Chandler's journalism classes have begun to write stories for this year's Tom-Tom. And the band has started marching drills in preparation for half-time shows.

The week ended with a defeat for the Sequoit's varsity football team by the Round Lake Panthers. Bob Bailey made Antioch's touchdown to make the final score Sequoits 6, Panthers 14. Although the varsity lost, the sophomore team walked away with a 14 to 6 victory. The Sequoits are sure to do better next week, since they play their home game and will have more team support.

Antioch Community High School drama instructor, Ken Smouse, has undertaken a project to extend the front of the school's stage. Working during free periods, after school, and in the evenings, and aided by several drama students, Mr. Smouse hopes to have the project completed in the near future. The new stage will be about half again as large as the original. Here he assists Todd Seisser, of Lake Villa nailing down some of the floor boards. (Staff Photo)

## HOMETOWN NEWS

JEFFREY T. E. MIKULA

### NIU AWARDS DEGREES

Northern Illinois University awarded 3,132 graduate and undergraduate degrees in June to students who completed degree requirements at the end of the 1972-73 academic year.

Included in the total were 2,571 undergraduate and 561 graduate degrees. This year's June total was slightly below the 3,215 degrees awarded to June, 1972 graduates.

### ANTIOCH NATIVE SELECTED AS CAPTAIN OF 1973 UNIVERSITY OF DUBUQUE FOOTBALL TEAM

An Antioch native has been selected as a captain of the 1973 University of Dubuque Football Team in Dubuque, Iowa. Elected by a player vote was Defensive Back Kevin O'Neill, a 5-11, 180 pound Senior. Last season, Kevin recovered one fumble and broke up a number of passes.

### Butterbrodt AMPI President

John E. Butterbrodt, a Burnett, Wisconsin dairy farmer, has been re-elected president of Associated Milk Producers, Inc.

Butterbrodt's re-election came at the AMPI board of directors re-organizational session following the milk marketing cooperative's annual meeting recently in Minneapolis, Minnesota.

Butterbrodt has headed AMPI since it was formed four years ago.

Other officers re-elected were: 1st Vice President, Elbrege Sullivan of Lawton, Oklahoma; Secretary, Norman Barker of Pratt, Kansas; Treasurer, Avery Vose of Antioch, Illinois; 2nd vice president, Melvin K. Besemer of New Ulm, Minnesota; 3rd vice president, Paul Affeldt, Sparta, Wisconsin; 4th vice president, Harry Aggen, Rushmore, Minnesota; 5th vice president, Charles Schell, Minneiska, Minnesota; 6th vice president, Henry Grooters, Sanborn, Iowa; 7th vice president, Roy Kirchner, Clintonville, Wisconsin.

AMPI has approximately 39,500 dairy farmer members in a 20-state area stretching from Minnesota to Texas.

Among those receiving degrees were: ANTIOCH-Diane E. Baginski, Rt. 2 Box 408; Glen P. Erickson, RR 2 Box 325, both BSE; Ginger L. Goetz, 512 Naber Ave. BA; and Susan M. Sedivec, Rt. 1 Box 717 BA. LAKE VILLA-James D. Neadstine, 1510 Forest Drive BA; Margaret R. Wolfe, Rt. 3 Box 249 BS; and William J. Wolfe, Rt. 3 Box 249 BA. LINDEN-HURST-Renda L. McCormick, 2011 Rolling Ridge BSE.

Navy Airman Jeffrey T. E. Mikula, son of Mr. and Mrs. Steve T. Mikula of Route 1, Antioch, Ill., has deployed to the Western Pacific with Patrol Squadron 46.

The squadron will conduct antisubmarine warfare operations, ocean shipping surveillance and search and rescue missions out of several bases, including Misawa, Guam and Cubi Point, Republic of the Philippines during its six month deployment.

## ST. PETER FREE LUNCH POLICY

St. Peter School today announced a free and reduced price meal policy for school children unable to pay the full price of meals served in schools under the National School Lunch Program.

Illinois statutes require all public schools to provide free lunches to children from families whose income is at or below the established guidelines. Local school officials have adopted the following family size-income criteria for use in determining eligibility.

| Family Size                   | Family Income<br>Free Meals |
|-------------------------------|-----------------------------|
| One                           | \$ 2,740                    |
| Two                           | 3,600                       |
| Three                         | 4,460                       |
| Four                          | 5,310                       |
| Five                          | 6,100                       |
| Six                           | 6,890                       |
| Seven                         | 7,600                       |
| Eight                         | 8,310                       |
| Nine                          | 8,960                       |
| Ten                           | 9,600                       |
| Eleven                        | 10,240                      |
| Twelve                        | 10,880                      |
| Each additional family member | 640                         |

| Family Size                   | Family Income<br>Reduced Price Meals |
|-------------------------------|--------------------------------------|
| One                           | \$ 3,280                             |
| Two                           | 4,320                                |
| Three                         | 5,360                                |
| Four                          | 6,380                                |
| Five                          | 7,320                                |
| Six                           | 8,260                                |
| Seven                         | 9,120                                |
| Eight                         | 9,980                                |
| Nine                          | 10,750                               |
| Ten                           | 11,520                               |
| Eleven                        | 12,290                               |
| Twelve                        | 13,060                               |
| Each additional family member | 770                                  |

Children from families whose income is at or below those shown are eligible for meals free. In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

They may do so by filling in the application forms that were sent home in a letter to parents. Additional copies are available at the Office. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year.

In certain cases foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals for them, they should contact the school.

In operation of child feeding programs, no child will be discriminated against because of his race, sex, color, or national origin.

Under the provision of the policy the principal will review applications and determine eligibility.

If a parent is dissatisfied with the ruling of the official he may make a request either orally or in writing to Mr. Richard Daniel, Route 5, Box 485, Antioch, Ill., for a hearing to appeal the decision.

A complete copy of the policy is on file at the school and may be reviewed by any interested party.

**OUR STARS**  
★ ★ ★ **CHEVY & OLDS** ★ ★ ★  
**WILL SATISFY ALL YOUR TOMORROWS.**  
JOHN TERESI CHEV - OLDS, INC.  
NEW ADDRESS - 120 Rt. 173  
ANTIOCH, ILL. 395-3600

**ARIES** (March 21-Apr. 20): Avoid temptation to splurge and you'll save off budget worries. Not a favorable period for finances. Family disputes could become a problem unless you take steps to maintain harmony. Weekend favorable for outdoor recreation. Best days: Sunday, Tuesday.

**TAURUS** (Apr. 21-May 20): Cycle high for those born under your sign. You can make progress in improving social life, boosting career prospects. Financial aspects indicate improvement later in week, possibly through a surprise asset or unexpected windfall. Best day: Thursday.

**GEMINI** (May 21-June 21): Now is the time to launch new projects, especially those relating to creative activities. Take advantage of your talents! Your intuition is a winner if you are careful about details. Romance favored latter part of week. Best days: Friday, Monday.

**CANCER** (June 22-July 21): At times, it's best to keep your own counsel. Friends could lead you into a situation that could prove embarrassing or upsetting. Shopping, outdoor activities favored during weekend. A good time for planting beautiful things. Best days: Tuesday, Wednesday.

**LEO** (July 22-Aug. 22): Take care if traveling and watch the budget. This is no time for taking on additional financial burdens. First part of week could be profitable for creative activities, especially involving painting or writing. Remember a long time friend with a call or letter. Best days: Sunday, Monday.

**VIRGO** (Aug. 23-Sept. 22): Idle talk can hurt friendships. You could have difficulties with someone born under the sign of Taurus or Aquarius. Mid-week favorable for seeking a change or promotion at work. Superiors are impressed by sincerity, dedication to the job at hand. Best day: Tuesday.

**LIBRA** (Sept. 23-Oct. 22): You need a change of pace to liven up your social life. A friend could be the key to meeting new people, seeing new places. Take advantage of all social opportunities. A good period for adding to wardrobe. Best days: Saturday, Wednesday.

**SCORPIO** (Oct. 23-Nov. 22): Outdoor recreation, hobbies favored throughout this period. A good time to get away for a brief vacation before settling down to autumn activities. Romantic cycle is mixed. Someone who isn't right for you could extend a tempting social invitation. Think carefully before you accept. Best days: Sunday, Monday.

**SAGITTARIUS** (Nov. 23-Dec. 21): A favorable time for public contacts, taking part in church or civic activities. A long-cherished goal could be nearer to reality. Be sure to watch personal grooming. You could be in the spotlight. Best day: Monday.

**CAPRICORN** (Dec. 22-Jan. 20): Some travel indicated, possibly associated with a new job or school. The coming week is favorable for new beginnings in personal or career activities. Don't neglect matters at home, including those bothersome minor repairs. Best days: Friday, Tuesday.

**AQUARIUS** (Jan. 21-Feb. 18): You are usually a cheerful diplomat. Use those qualities to maintain harmony at home. Spouse or loved ones may be feeling neglected. Take care in all financial transactions or you can strain your budget. Best days: Saturday, Thursday.

**PISCES** (Feb. 19-March 20): Spend some time and attention on yourself this weekend. If you've been putting off shopping for a fall wardrobe, now is a good time. A new outfit and hairdo can boost your spirits like nothing else! Be attentive to needs of loved ones. Best days: Sunday, Wednesday.

## Obituaries

**PETER P. YASZ**, 56 years old of 105 Oakwood Drive, Antioch, Ill., passed away Thursday, September 6 suddenly from an apparent heart attack. He was born June 29, 1917 in Niles Center, Ill. and lived in Chicago until moving to Antioch in 1966. He was employed at the Beauti-Vue Co. of Bristol, Wisconsin for the past 6 years.

Survivors are his wife Blanche; 2 sons: Dennis Yasz and Donn Yasz both of Antioch; 1 Sister: Mrs. Otto (Helen) Wenzel (Wilmett, Ill.) and 1 Grandson: Brian Yasz.

Funeral Services were held at 11:00 a.m. Monday, September 10 at the Strang Funeral Home, Antioch, Ill., with interment in Home Oak Cemetery, near Antioch.

**MRS. LILLIAN M. RADITZ**, 76 years old of Salem, Wisconsin passed away Friday, September 7 at Kenosha Memorial Hospital, Kenosha, Wisconsin. She was born December 8, 1896 in Chicago, Ill. the daughter of the late Henry and Josephine Rice. She had lived in Chicago and Forest Park, Ill. before moving to Salem, Wisconsin in 1928. She was a member of Bristol Chapter No. 164 O.E.S.

The Auxiliary of the Schultz-Hahn American Legion Post No. 293 of Silver Lake, Wisconsin, and the American Association of Retired Persons. Mrs. Raditz was a beauty operator for many years and had established the first Beauty Shop in Salem, Wisconsin. She married Milton E. Raditz, Sr. on December 9, 1919 in Chicago, Ill. and he preceded her in death August 13, 1951. She was also preceded in death by 1 Sister Elsie in 1972.

Survivors are 2 Sons: Milton E. Raditz Jr. (Salem, Wis.) Robert H. Raditz (Rosman, S.C.) 2 Sisters: Miss Genevieve Rice (Chicago) and Mrs. Josephine Haremza (Chicago). 9 Grandchildren and 4 Great Grandchildren.

Funeral Services were held Tuesday, September 11 at 1:30 p.m. at the Strang Funeral Home, Antioch, Ill. The Rev. Robert Mason of the Silver Lake Baptist Church officiated with interment in Liberty Cemetery, North of Antioch.

## CHRISTIAN SCIENCE CHURCH

Peter proved the nothingness of sickness when he healed the lame man at the gate of the temple, as described in Acts 3.

This is brought out in the Bible Lesson-Sermon entitled "SUBSTANCE" at Christian Science church services Sunday.

Citations from Science and Health with Key to the Scriptures by Mary Baker Eddy include this statement: "Christian Science brings to the body the sunlight of Truth, which invigorates and purifies. As mortals reach, through knowledge of Christian Science, a higher sense, they will seek to learn, not from matter, but from the divine Principle, God, how to demonstrate the Christ, Truth, as the healing and saving power."

Members of First Church of Christ, Scientist, Route 173 and Harden, Antioch, Illinois invite the public to come to the Sunday services held at 11 a.m.

**MR. WILLIAM L. HALL**, 88 years old of Waukegan, Ill. and formerly of 6900 Odell, Chicago passed away on Sunday, September 9th at Victory Memorial Hospital. He was born May 30, 1885 in Chicago, Ill. and resided in the Chicago area until moving to Antioch in 1963, and has been in the Terrace Nursing Home at Waukegan since 1970. He is a member of "Grand Royal Arch Masons Chapter No. 195 R.A.M. of Irving Park, Ill."--Medinah Temple A.A.O.N.M.S. of Chicago--Ben Franklin Masonic Lodge No. 962 A.F. & A.M. of Elmwood Park, Ill.--Evangeline Chapter No. 48 O.E.S. in Chattanooga, Tenn.--Ancient Accepted Scottish Rite of Chicago--Lake County Shrine Club--and the Chain O'Lakes Shrine Club. He was also a life member of Central YMCA in Chicago. He graduated from Kent College of Law in 1914 as a lawyer. He was an appraiser for Lloyd Thomas Co. in Chicago for many years, and later as a corporate Attorney for the Cable Piano Co. in Chicago until his retirement in 1952.

He is survived by 2 nephews George L. Hall (Colorado Springs, Colorado) and Harold H. Hall (Hot Springs, Arkansas). He was preceded in death by 2 brothers: George L. Hall and Harry C. Hall.

Graveside services were held Tuesday at Mt. Olive Cemetery in Chicago. Ben Franklin Masonic Lodge No. 962 A.F. & A.M. officiated. Arrangements were made by Strang Funeral Home in Antioch. There was no local visitation.

**LYLE JUDSON VAN DUZER**, 83, Bristol, died Monday morning at Sheridan Nursing Home following a short illness.

Born in Salem, August 23, 1890 he was the son of the late Mr. and Mrs. Walter Judson Van Duzer. He moved to Kenosha in 1913.

A World War I veteran, he entered service May 26, 1918, served with the 11 Co. Infantry Replacement and was honorably discharged January 8, 1919. He was a member of the American Legion Post 21.

Mr. Van Duzer was employed by American Motors Corp. for 42 years and retired in 1959. For the past 14 years he had lived in Bristol township.

Survivors are a brother Benjamin Myles, Silver Lake; and five sisters Grace Newman, Kenosha; Mrs. Dora Simon, Grayslake, Ill.; Mrs. Ruth Sheen, Seattle, Washington; Mrs. Emil (Laura) Kletecka, Lake Geneva; and Mrs. William (Pauline) Bratzke, Waukegan, Ill.

He was preceded in death by a brother and four sisters.

## VISITATION SUNDAY

A small army of workers has been enlisted to visit thousands of homes in the area Sunday, September 16 to give a personal, family-by-family invitation to attend the forthcoming Lake County Crusade.

The crusade, which will present Rev. Lane Adams, noted Billy Graham Associate Evangelist, will be held nightly from September 21 through September 30 at the Waukegan High School East Campus Gym.

During this week-end's visitation volunteer workers will offer transportation to interested families.

participating in the crusade are active in the Visitation Sunday project and have recruited corps of workers from their congregations to assist in this united effort.

The chairman of Visitation Committee, Mr. Cliff Peterson, explains the purpose of this program is twofold: (1) to extend a warm invitation to every resident of the Lake County Crusade to attend the crusade; and (2) to find, in each community prospects for the crusade's "Operation Andrew" program.

This latter project is an individual plan for personal witness that has been used successfully by Billy Graham in his world-wide evangelist crusades.

Based on the familiar words in John 1: 40-42: "Andrew...first findeth his own brother and brought him to Jesus.", the plan involves both individuals and groups who (1) pray for persons they know who have a spiritual need; (2) contact them and cultivate their friendship; (3) accompany them to the crusade; (4) encourage them to commit their lives to Christ; (5) follow-up these contacts until they become active with a church and are growing, witnessing Christians.

Evening Worship 6 p.m.  
Prayer Meeting Wed. 7 p.m.

## "Hindsight's Better Than Foresight"

All the schools in Antioch have opened. Many children are leaving home for the first time to face the outside world to form relationships with people outside their family. The parents of these new first graders have carefully and lovingly picked out a school bag and filled it with pencils and paper for this big event. This parafania is a sign of the great expectations that mother and father have for their child.

The child will perhaps meet a friend who lives only on the next block. The child because of lack of knowledge and experience has no idea how close this friend has been for the past years. The relationship with this new friend is a tremendous event in the young life of the child.

All this relationship took to jell was an occasion for these two children to meet. It was necessary for these children to be together, to be present together. Any kind of relationship demands some kind of presence if the relationship is going to continue.

This is why Christians gather together to worship. It is a human need to be present together, to be fulfilled - at which time they know "Where two or three are gathered in My name, I am present there." This presence of the community brings the presence of Jesus Himself and the relationship of God and man becomes a moving experience. Presence is an all important factor for any relationship.

THIS REPORT TO BE RETURNED TO THE DEPT. OF THE TREASURY

OMB FORM NO. 3220 JULY 1973

## GRACE MARY STERN AT LINDENHURST MEET

Lake County Clerk Grace Mary Stern will keynote an area meeting of Democrats to be held at 8:00 p.m. on Wednesday, September 19th at the Civic Center in Lindenhurst. Hosts for the evening are Mr. and Mrs. Ralph Montrimas.

This is the first in a series of meetings, according to Mrs. Bertha Ogrin, Chairman of the Democratic Party Candidates Selection Committee, being held in each of the five county board districts throughout Lake County. These meetings are open to all who are interested in good government and to those who want to make government better. Qualified candidates are being sought and those interested should come to make themselves known to us.

The following offices will appear on the 1974 ballot: Representative in Congress (13th); State Senator (32nd); State Representative (32nd); four Lake County offices, namely County Clerk, Treasurer, Sheriff and Superintendent of Educational Service Region; and the indispensable office of precinct committeeman—the backbone and strength of political parties. In addition, there is a committee working in each of the five districts to seek out County Board candidates, who have an early filing date—between October 29 and November 5.

We urge all citizens of County Board District No. 4 (Antioch, Lake Villa, Grant, Avon, Wauconda and Fremont Townships) who are interested now, or in the future, in running for public office on the Democratic ticket to attend this meeting," added Herbert L. "Hub" Stern, Chairman of the Lake County Democratic Party. We are confident that 1974 will be a Democratic year—we must offer the electorate of Lake County a blue-ribbon choice for each and every office.

Meetings scheduled in other County Board Districts are: September 26th: Zion State Bank (Heritage Room) at 7:30 (No. 3) Oct. 2nd: Barrington

Motor Lodge, 8:00 p.m. (District No. 5)

Additional information regarding the Democratic Party of Lake County may be obtained by visiting or calling Democratic Headquarters, 215 Madison Street, Waukegan, Illinois, Telephone: 244-2870.

p.m., Daylight Saving Time, for the McMillan Road Watermain Extension. The bids will be publicly opened and read at the meeting of the President and Board of Trustees beginning at 8:00 p.m. on October 1, 1973. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done consists of a system of watermain, necessary valves, fire hydrants, etc., and all necessary appurtenances as follows:

Construction of a new 12" diameter ductile iron watermain with fittings and necessary appurtenances for a distance of approximately two thousand (2,000) feet.

All work is to be performed in accordance with the Plans and Specifications which are on file in the Village Hall and at the office of Applied Engineering Company, 1450 South New Wilke Road, Arlington Heights, Ill., 60005.

Also, all work performed within the right-of-ways of State Route 173 and McMillan Road shall conform to the standards of the Village of Antioch and the State of Illinois. Soil borings are on file at the office of the Engineer.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check drawn on and certified to be an acceptable Illinois bank in an amount of not less than ten percent (10%) of the total bid, made payable to the Village of Antioch, Illinois. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted. The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond. Bid bonds will not be acceptable.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100% of the contract.

Payment will be made in cash on the basis of approved progress estimates.

The work shall commence within thirty (30) calendar days after date of written notice to proceed, and all work shall be completed within sixty (60) calendar days after date of written notice to proceed.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

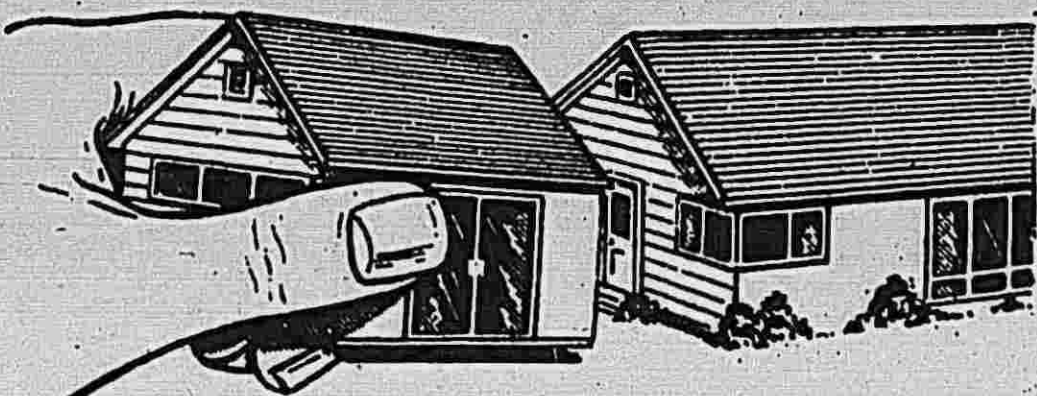

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities or technicalities in any bid, and to accept the bid which it deems to be in the best interest of the Village of Antioch, Illinois.

Bid documents are available from the Engineer for a non-refundable charge of ten (10) dollars.

## WISCONSIN SUPER MODIFIED NATIONAL AT WILMOT

Plans that have been developed over the past two years in the Interstates Racing Association of super modified stock cars will finally unfold this week end at the New Kenosha County Speedway in Wilmot, Wisconsin. Officials have long wanted a chance to bring in other super modified stock cars from throughout the midwest to race on the Wilmot surface but the delay of the completion of the new track delayed the actual date for the super modified National.

National type racing events have drawn hundreds of entries in other areas and the IRA drivers have been anxious to compete with drivers from other states so finally the National competition will take place this week end, Saturday and Sunday, September 15 and 16.

Dick Duston, Greenfield, the newly crowned IRA Wilmot Champion will lead the defense of the Wilmot track against the outside competition.

Saturday night will be preliminaries topped with a 30 lap feature and a 15 lap semi-feature. It will give the outside drivers a chance to get used to the Wilmot track and have their cars all set for the National on Sunday afternoon. The National will be topped with a 50 lap 18 car feature as well as a 24 car 20 lap feature.

The Fairgrounds facilities will be available to fans who want to camp overnight after the Saturday night preliminaries and be on hand for the Sunday Nationals. Registration for space can be arranged at Wilmot on Saturday before the start of time trials at 7:00 p.m. Sunday time trials will start at 1:00 p.m. and the first of several 10 lap heat races at 2:30 p.m.

## REGISTER NOW FOR CHILDRENS BOWLING

Fall registration for the Children's Bowling Program at Antioch Bowl on Route 173 begins this week.

Any child between the ages of 8-18 is eligible to join. Bowling begins Saturday, August 22.

**CHESS ANYONE?**—The plumed knight in armor on a full-panoplied horse defends the rook, which is a related stone tower of porcelain. These are two of the chessmen from the Cybis Presidential Chess Set on display at the Museum of Science and Industry in Chicago from September 1 through September 30. The chess set and other Gifts of State, which were presented to the Russian people at the Moscow Summit Conference, will be shown in the month-long exhibit.

## GOLDEN WINS AT WILMOT CAMERON IN FIERY RETURN

Billy Goeden, Kewaskum, Wisconsin took advantage of the open competition racing at the Kenosha County Speedway in Wilmot on Saturday night for the Interstates Racing Association of super modifieds and wound up winning the 30 lap feature. Paul Cameron, Round Lake, Illinois, made his first return to racing on the same night and after winning a 10 lap heat race, had his car flip over in the semi-feature and then burst into flames. Cameron jumped from the flaming car with fuel blazing on his drivers suit. He rolled on the ground while pitmen rushed to his aid to beat out the flames and then he

was taken to the Burlington Hospital where he was held suffering 1st, 2nd and 3rd degree burns over 12 percent of his body. Cameron had just returned to his work in a trucking terminal in Zion following a six months recovery period from a back injury.

Ron Marish, Milwaukee did his usual fast-time qualifying for one lap with a time of 17.78 seconds to top the 52 cars. Many were at Wilmot for the first time under the open competition rules that is expected to bring in 100 or more cars for the open competition racing next Saturday and Sunday.

## HARRIS ON RAPID MEND

The new IRA Champion for 1973, Whitey Harris, Lake Villa, Illinois is making rapid progress in his recovery from an accident on Friday, August 31 at the Capital Speedway in Oregon, Wisconsin in a late model stock car.

According to his wife Fran, he may be released from the hospital and be home toward the end of this week. Harris, who was overall point leader at the time of the accident and runner up at Wilmot and Lake Geneva earned the 1973 driving title because runner up driver Roger Otto, Burlington would not take further championship

points with Harris out of contention. Otherwise, Otto would have wound up the champion of IRA for 1973.

Officers and directors of the IRA are asking that fans of Harris donate blood to replace his requirements by going to their local chapter of the Red Cross Blood Bank and donating blood. If they will indicate that this donation is to replace the blood for Duane Harris a patient in the St. Marys Hospital in Madison who received blood from the Red Cross Blood Bank in that area, it will be properly credited.

## The Orlon W-I-D-E Stripers! by Brentwood

"Wide Stripers" were created for men who like to look good. Men who like to set the pace. And these easy-casual DuPont\*\* Orlon Pullovers really help both happen. One gives you big bold crew collar and long lean sleeves. The other gives you scoop-necked vest comfort and big, wild horizontals.

## SEQUOITS DROP SEASON OPENER 14 to 6

The Fighting Sequoits Varsity Football team dropped its season opener 14 to 6 last Saturday to Round Lake. According to Head Coach, Roy Nelson, the game was reasonably well played for the first game of a new season, with the contest being in question until the last 28 seconds of the 4th quarter. This is when Round Lake scored from the one yard line and then picked up the two point P.A.T. on a run.

Round Lake drew first blood in the contest scoring on a 28 yard draw play with 6:48 left in the first quarter. The P.A.T. failed and the first quarter ended with Round Lake in the lead.

The Sequoits touch down came in the second quarter as a result of a Round Lake fumble on their 46 yard line. On the first play after the Sequoits took over, Senior back, No. 33, Bob Bailey went up the middle for 46 yards and a T.D. The P.A.T. failed and the first half ended in a tie 6 to 6.

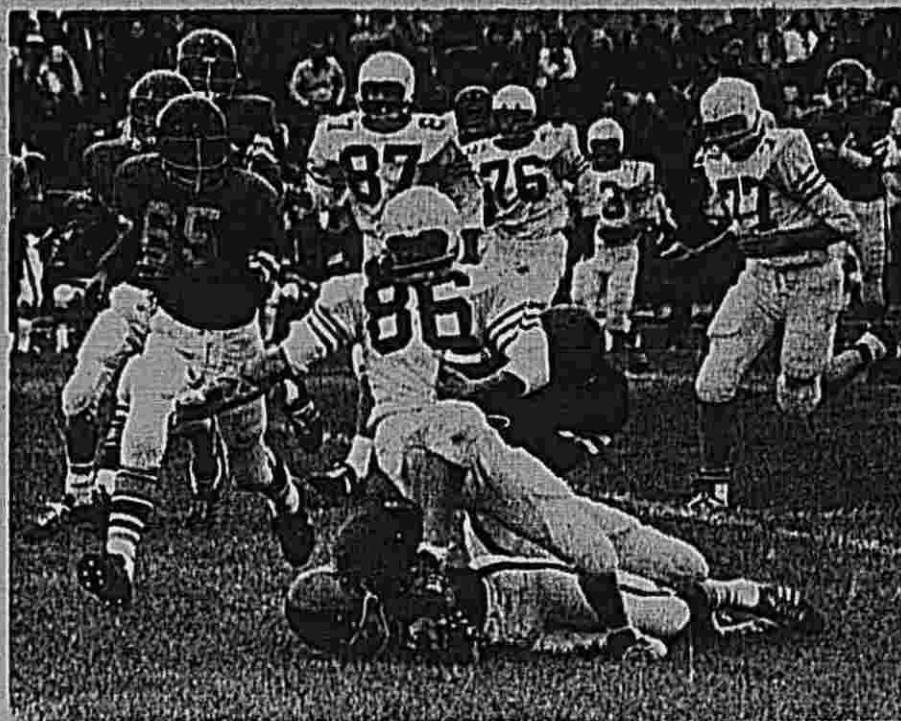

The third quarter saw no scoring by either team. The fourth quarter was much the same as the third until the Sequoits in a long gamble, tried to pick up a first down on a fourth down play and failed at the mid-stripe. Round Lake took over and in 9 plays

covered 50 yards and scored. The two point P.A.T. was good and the score was 14-6 in favor of Round Lake.

Although this was the final score, in the last 28 seconds of the game the fans were provided with a lot of action. After the last score Round Lake kicked off to Antioch who returned the ball to the 40 yard line and then fumbled with Round Lake recovering the ball. Round Lake on the second play after the recovered fumble tried to pass, but No. 22, Tom Pocrnich of Antioch, intercepted and returned the ball to Round Lake's 30 yard line as the gun sounded to end the game.

As a team the fighting Sequoits gained 94 yards on the ground and had 5 yards in the air. Bob Bailey was the leading ground gainer with 69 yards rushing. On defense, a number of the Sequoits did a fine job with Rick Sedar being outstanding with 10 tackles. Another bright spot for the Sequoits was the punting of Dan Huntington who punted 6 times for an average of 32.5 per punt.

Next week (September 15) the Sequoits take on Woodstock. The game will be played at home with the sophomore game at 12:00 and the varsity game at 2:00 p.m.

Grimacing Mike Grindley is hauled down from behind by two Round Lake defenders in Saturday's season opener, as a large part of both teams rushes up to view the action. (Photo by Todd Seisser)

Bob Bailey scouts the opposition attempting to outrun a pair of Round Lake Panthers. Bailey went on to score the Sequoits' only touchdown of the day. Round Lake came through at the end of the fourth quarter to go ahead for a 14 - 6 win. (Photo by Todd Seisser)

## CLARK WINS RACE AT WAUKEGAN

Chuck Clark of Wauconda won the hotly contested 25-lap late model sportsman race Saturday night at the Waukegan Speedway as the first four cars finished 'under-a-blanket'. Ed Dunne of Island Lake held second with Bob May of Gurnee third and J.P. Gatti, Jr., of Wheeling fourth.

Earlier Gatti blistered the track with a :14.83 lap for a new onelap mark for this division. Gatti ran as strong as second in the main before dropping to fourth.

George Dukas of Zion charged into the lead on the first lap with Dennis Topcik, Ray Dixon, Willie Winchester and Dunne all taking turns in second spot for the first eight laps. Clark took second on the 9th lap, but Kukas then had a substantial lead.

At the halfway point Dukas was first with Clark, Gatti, Dunne, Winchester and May in a heated battle for second spot. In the 16th lap Dukas hit some

water on the third turn and spun with Clark gathering in the lead.

Gatti took second at that point but fell to 4th in the 19th lap and that's where he finished. Dunne, May and Gatti really pressured Clark the last five laps as the crowd cheered their favorites on. The first ten cars finished on the same lap with the leader and 14 of the original 16 starters were around for Gordie Sill's checkered flag.

Ray Sush won the late model trophy dash in the last lap as he edged Joe Horn at the finish. Dukas weaved through traffic to win the first heat taking the lead with two laps to go, then Clark and Roger Hacke scored in the other heat races.

Next Saturday a powder puff will be the added attraction and Twin-20 lap features will end the point race on September 22. Sportsman, hobbie and a 'Last Chance' demo will combine on the final card September 29.

## ANTIOCH SOPHS WIN

Antioch sophomores, the class that did not have Freshmen sports last year, won their opening football game 14-6. Although the lack of experience was plainly evident the sophs more than made up for it in enthusiasm and hard hitting. Both Sophomore Coach-

es, DeRousse and Schleusener feel that this group will more than make up for their lack of experience with hustle and pride.

Saturday's Hero's included: Rick English, The defensive player of the game who also ran back a punt 40 yards for a touchdown, Dick Kessler, Mike Riedlinger, and Mike Harmon, all linemen who played offense and defense; Backs Joe Carole, Jim McLellan, Tim Sheppard, and John Fenner all turned in a fine performance.

Saturday the Sophs make their first home appearance at 12:00 noon against the Woodstock Blue Streaks.

by: Tork Torkelson  
**COMET...BUILT BETTER  
TO LAST LONGER**

On the outside, the '73 Comet appearance changes with a modified new grille and bright-metal window frames, bright drip rail moldings, even a deluxe gas cap on all models.

Major changes have occurred inside, too, with new front bench seats in Comet models and revised bucketseat design in the Comet GT. Interiors for '73 also show new door trim panels and new armrests with the more convenient type door-opening door-pull handles. The Comet GT door trim panels have European style armrests with integral door-pull handles.

The 250-1V Six and the 302-2V V-8 are optional for both Comet sedan and Comet GT models. The 3-speed manual transmission is standard. The SelectShift 3-speed automatic transmission is optional with all engines and models.

**LYONS-RYAN  
FORD MERCURY  
395-3900**

## FRESHMEN WIN OPENER

Antioch's freshmen football team opened this 1973 campaign with a 14-6 win over a visiting Round Lake team. The frosh displayed great poise and efficiency as they drove for two first half scores. Halfback Todd Teneyck scored on a 6 yard scamper midway through the first quarter and Bruce Kecskemeti, fullback, added the P.A.T. Kecskemeti tacked on six more points as he plunged in from 4 yards out early in the second period. The P.A.T. failed.

Round Lake took advantage of a Sequoits lapse to score late in the game. Except for this, Antioch dominated the game. Mike Vos and Conrad Knutsen each intercepted Panther passes and John Kakacek, Art Kilger and Tim Murphy recovered fumbles for the home team. Kecskemeti led the Antioch offense with 65 yards rushing and Teneyck gained 46 yards. Kakacek led the defensive charge.

Coach Norm Hahn was very pleased with the performance of his charges. "In seven years this is the best a team has looked in its first game. If we improve steadily, we will be ready for anyone in the conference." Coach Hahn also credited his assistants Steve Wapon and Don Zeman for helping get the team ready.

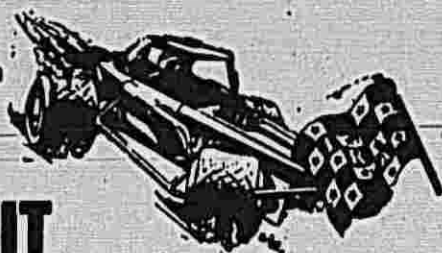

## SWIM SEASON ENDS

--continued

Barb Dodd and Kit Kakacek (last year's award winner). Also presented a trophy from the team was coach, Marty Berry. This year's trophy winner, Dave Berry, has been a member of the team for 4 years, was undefeated this year in backstroke, also undefeated except by his older brother, Ed, in butterfly.

The Record-Breaker saw 19 records broken and 2 records tied. Top record-breakers were young Johnny Schmidt and Mary St. Pierre. Both entered 3 events and broke 3 records! John broke his in 9-10 backstroke, freestyle and butterfly. Mary got her records in 66 yards free, 33 yards free and 33 yards back.
